On behalf of the Cobourg Cougar Hockey Club Inc., I would like to welcome you, the fans, to the 1980-81 season of the Cobourg Cougar Jr. C's.

Last season was very gratifying and coach Lewis in his first full season as coach iced a team which provided very entertaining hockey. We finished first, won the league championship, however lost out in the first round of provincial playoffs. It is very satisfying for this executive to be able to ice a competitive team from the local hockey associations of Cobourg, Baltimore, and Colborne-Grafton areas.

I would like to thank the advertisers whose financial assistance make this program possible, and a special thanks to you, the fans whose continued support is necessary to make the Cobourg Cougars successful. We the executive, coach, and players of the Cobourg Cougars will continue to provide pleasing, entertaining hockey.

See you at the rink on Monday nights.

Yours sincerely,
BILL CARRIGAN, President

Most people can learn to skate.

However, it takes a large investment of patience and time to develop a perfect Lutz or Salchow.

At Victoria and Grey Trust we believe everyone should be encouraged and supported to reach their personal goals, whether it be a triple Lutz or financial stability. Attaining any goal is a wonderful experience, come in and talk with us about it.

WHY SELL YOUR HOME THROUGH GALLERY OF HOMES?

The answer is simple.

SERVICE

Gallery of Homes is an international organization of local real estate firms.

Chances are when you list your home with us, you'll not only see prospects from your region, but prospects moving into your neighborhood from out of town too.

That's important. The more pre-

screened people who see your home, the better your chances of a sale.

It's just one of the reasons for choosing Gallery of Homes.

Phone Gallery of Homes today. It only takes a minute and it could mean a smoother sale for you.

Way to win, Cougars!

You start with the best you can find.
People with talent. People with spirit.
And you build a team.

You give it all you've got. Every time.
Then you find a better way. A smarter way.
Because yesterday's best just isn't
good enough.

Above all, you aim high. You've got to be on
top of the heap. Way out front. Number one.

That's what it takes to be a winner.
We know. And we know it's not easy.

But this *is* Cougar country.
And we're rooting for you.

Go get 'em, Cougars!
