FROM THE LITTLE N.H.L. PRESIDENT

As President of the Little N.H.L. it is my pleasant duty to extend a sincere welcome to the competing teams in this 1962 Cobourg Tournament, which is the completion of the 27th consecutive year of the Little N.H.L. I feel very certain that this play-off will prove to be one of the best we've ever had.

To those centres competing for the first time, I extend a special word of greeting. We hope you will feel welcome here in Cobourg and find this tournament a stimulating and rewarding challenge.

To our old friends may I say "I am pleased to see you again". Your continued interest in the Little N.H.L. is most gratifying to those men who work so hard throughout the Province.

There is no doubt that the town of Cobourg will, by it's hospitality, ensure the success of this 5 day event. The Executive of the Little N.H.L. wish to join me in extending a sincere "thank you" to this progressive community.

For the 2nd year it is my privilege to say a special word of appreciation to the coaches and managers, without whose enthusiasm and support the Little N.H.L. could not be the strong, active organization it is.

Finally a word of thanks for the fine work done in the Provincial organization and particularly in this tournament by the Executive members of Eastern Ontario.

Welcome to all and my best wishes for success.

Paul McKelvey,
President
Little N.H.L.

FROM THE MAYOR OF COBOURG

May I extend to you, the executive of the Little National Hockey League, its competing teams and the large number of parents accompanying them a cordial welcome to the town of Cobourg. I offer this welcome not only on behalf of the council but on behalf of every citizen.

To you boys who are taking part in the championships in this which is truly our national sport, I wish you the thrill of the game. Not all can be winners hence I would commend you to this thought that it is playing the game and exhibiting true sportsmanship that counts above all. It is no less true of hockey than it is true of life.

Many of you boys will be staying in the homes in our town whose doors have been opened to you. Thus you will be learning to know us more closely as we will learn more of you. These contacts will lead to the betterment of you and your hosts.

While you are here, take a look at our town, ask questions if you will. You will find the towns people ready to help you in whatever way they can.

To the towns people who have volunteered to be your hosts, I would extend the gratitude of the town.

May the Little National Hockey League flourish and may each and everyone of you enjoy your stay with us in this historic town of Cobourg.

Sincerely yours,

J.A. HEENAN, Mayor

WELCOME TO COBOURG AND THIS YEAR'S LITTLE N.H.L. TOURNAMENT OF CHAMPIONS

This year's tournament will be a 5 day affair, with some 42 teams participating. As Cobourg has only one arena it has been necessary to schedule 2 complete series "A" and "B", in order to accommodate this many teams.

I wish to thank each and every one who has contributed to the success of this tournament, whether it be physically, financially, or both. Without their support this tournament would not be possible. A special word of thanks to the Executive Officers and the Commissioners of the Little N.H.L.

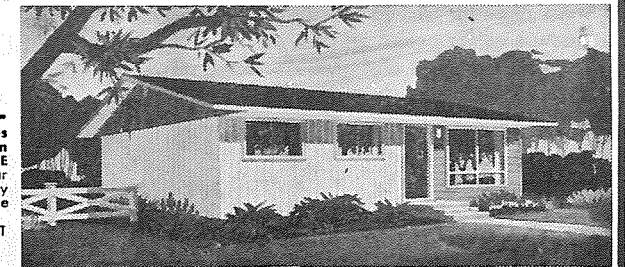

I hope everyone enjoys himself. May the best teams win. Safe journey home and come back again.

Thank you all
B. ALEXANDER

 - (a) The parade will be a walking parade with bands from Cobourg West End High School, King Street West.
 - (b) Teams to supply their own banners if they desire to carry a banner in the parade.
 - (c) The Sharpe Trophy will be presented to the team making the best showing in the parade.
3. **SOUVENIRS**
In addition to an attractive souvenir Programe (price 25c.) we will be selling L.N.H.L. Buttons at a price of 50c. each and pennants which are very attractive at 50c. each. We have decided to sell these 3 items as a package for the price of \$1.00. We hope this will allow us to break even on the cost of the tournament.
4. **REGISTRATION**
Managers and coaches will register their players in the Lions Cub and Scout Hall and billets will be allotted at the same time.

A BRIEF HISTORY OF LITTLE N.H.L. IN ONTARIO

by *GORDON ALCOTT*

The Little N.H.L. was started in Georgetown, Ontario, in 1936 with a total of 90 boys registered on 6 teams.

From the outset Little N.H.L. proved an outstanding success in many ways. First, every boy who wished to play hockey in the required age groups had an opportunity of playing organized hockey. Secondly, the parents and school authorities looked with favour on a league which laid such stress on the importance of school work and of good sportsmanship as embodied in the Player's Contract.

From Georgetown, Little N.H.L. spread to Copper Cliff and then rapidly throughout the province. Farm team systems were set up as follows: ages 8 and 9 - Junior; ages 10 and 11 - American League and ages 12 and 13 - N.H.L.

The response was so overwhelming that the Rural Little N.H.L. was organized to provide hockey for boys in the smaller rural centres. District playdowns are held and the winners come together during the Easter Holidays for the All-Ontario Championship Finals.

Bob Goldham, Detroit Red Wings, was the first graduate of Little N.H.L. Other Little N.H.L. graduates who made the N.H.L. are Ted Sloan, Chicago Black Hawks, Jerry Toppazzini, Boston Bruins, Tim Horton, Bob Pulford and George Armstrong, Toronto Maple Leafs.
