## *President's Message*

I am very pleased and consider it a privilege to be the president of the Cobourg Community Hockey League during their fiftieth-year anniversary.

I would like to take this opportunity to thank my very capable and extremely hard-working executive. This year would not have been a success without the dedication of all of our coaches, managers, referees and volunteers.

The pages of this, our second Cobourg Community Hockey League yearbook are full of our past, present and future stars.

A special thank you goes to the yearbook committee and photographer Gil Brocanier.

SECOND STRAIGHT YEAR

Danny Gadbois Is Top Pee Wee Pointgetter

Danny Gadbois, fishy pivotman of St. Mike's A's, has won the Cobourg Church Hockey League's Pee Wee scoring crown for the 1959-60 season. In winning the trophy for the second consecutive year, the 12-year-old sensation led all pointgetters by collecting 36 goals and 9 assists for a 45 point total. Runner-up to Gadbois for the second straight time was

SPOTLIGHT ON SPORTS  
By LAYTON DODGE

DISCRIMINATION IS WRONG

The days of graceful defeat in sport have departed. Now, nobody loves a loser. Gamesmanship, alas, is considered ahead of sportsmanship. Sad though it is, the attitude is that it no longer matters HOW you win, as long AS you win.

Take the average coach in the Church Hockey League for example. Here is a long-suffering individual, by his own admission, who abides by the league rule all year that teams in the Mite and Pee Wee divisions must make a complete change of personnel, except the goalkeeper, every three minutes. (This rule is designed to give each player equal ice time.) Along come the playoffs. Suddenly winning becomes all important and he demands a change. Eliminate the 3-minute buzzer, he says, so that he can play his best players more often.

Who suffers? The unfortunate youngsters of mediocre or average hockey ability who warm the end of the bench while the glory-seeking coach shuffles his "stars" on and off the ice. We have always been opposed to this system in Church League. Our reasons are these. Every boy pays his \$2 entry fee and is entitled to the same privilege. Playoffs should be for all Church Leaguers, not just for the better-than-average players.

Who suffers instead of elimination playoffs are we? We think all teams get an identical number of games. It is unfair to teams if should apply to individuals. We have said this about it all in that the Church League allow these coaches to dictate its policy, to put their personal greed ahead of the league's creed — to give equal opportunity to every boy that desires it. This is not the way we have fought against discrimination in CCHL.

Who will it be the last? We will always be a fighter for giving all players of the Church League a fair shot, not just for a few privileged, pampered all-stars.

The only advice we can offer is that if your son happens to be one of those less talented kids who have turned out game after game all season and are forced to sit by the bench in the playoffs, be sure to voice an objection. Perhaps enough complaints will stir the Church League into action to see all its players, regardless of their ability, next year.

245 Division Street, Cobourg ● "WHERE DOING BUSINESS IS A PLEASURE" ● (416) 372-2144

The Council of the Town of Cobourg on behalf of all the citizens, would like to congratulate the C.C.H.L. on this 50th Anniversary. The pleasure and enjoyment that the boys and girls have had over the years is hard to realize.

The Town is deeply indebted to the many people who have devoted so much time to the youth of our town. We wish you every success in the future.
