# GENERAL INFORMATION

## ADMISSION—PARKING

The admission charge will be 50c per person. Cars and buses will be parked FREE, near the exhibit area.

## APPRECIATION

On behalf of the Board, appreciation is expressed to the donors for their generous contributions, and to all who have assisted in any way in making this substantial prize list possible.

## BANQUET

The Prize Presentation Banquet, provided by the Counties of Durham and Northumberland, and the towns of Cobourg and Port Hope, will be held in the Grafton Community Centre, east of Cobourg, on Friday, October 9th, at 7.00 p.m.

## DEMONSTRATION MATERIAL

Exhibitors requiring straw, grain or other material for demonstration purposes, may consult R. C. Banbury, Dept. of Agriculture, Brighton, Ontario.

## DAILY PROGRAMME

See Daily Programme, courtesy of Family Herald and Weekly Star of Montreal, Que., for information on location of plowing events, demonstrations and other special features.

## DISPLAY OF TROPHIES

Trophies will be on display the week previous to the Match in one of the stores in Cobourg.

## ELECTRICITY

The Hydro Electric Power Commission of Ontario has made provision to supply electric power to the "Tented City". Service will be 115/230 volts, 60 cycle. Exhibitors and caterers are required to make their own arrangements with local electricians for wiring of space, and sufficient wire should be provided to reach from tent to the nearest hydro pole. A fused switch must be provided to control the total load, and wiring must be in accordance with requirements of Electrical Inspection Department. Charges for duration of Match will be \$1.00 inspection fee, plus 25 cents per 100 watts of connected load. Information may be obtained by applying to N. E. Macpherson, 620 University Ave., Toronto, Ontario, or at the Hydro Exhibit, "Tented City", after October 5th.

## FIRE PROTECTION

The Ontario Fire Marshal's Department will be represented at the Match. Their inspectors will check on fire hazards, and equipment will be on hand to take care of emergencies. Fire Fighting Demonstrations will be held daily in the demonstration ring.

## GAMBLING AND RAFFLES

No person shall be permitted to carry on any kind of gambling, raffle, or game of chance in the "Tented City", parking fields, roads or other area under control of the Ontario Plowmen's Association, during the period of the International Plowing Match.

## HEADQUARTERS BUILDING

This houses the offices of the Ontario Plowmen's Association, Local Committee, and World Championship Plowing Organization. The Press and Radio will be located here also. All particulars with reference to the Match may be secured at Headquarters.

## MEET YOUR FRIENDS AT EATON'S

By courtesy of the T. Eaton Co., Ltd., a large marquee will be erected near Headquarters Building, where visitors may meet their friends, and rest awhile. All are assured of a warm welcome, and a cup of tea will be served FREE of charge, during the afternoon from 1.00 p.m. to 4.00 p.m.

## OFFICIAL OPENING—INTERNATIONAL MATCH

His Excellency the Rt. Hon. Vincent Massey, Governor General of Canada, will officially open the International Plowing Match at 2.00 p.m. on TUESDAY, October 6th.

## POLICE PROTECTION

The "Tented City" will be policed at night as a convenience to exhibitors and caterers.

## PUBLIC ADDRESS SYSTEM

This service will again be provided by courtesy of Halliday Company of Burlington, Ont.

*(Continued on next page)*

## GENERAL INFORMATION

*(Continued from previous page)*

**H. A. QUINN**  
1st Vice-President

### TELEPHONES

For the convenience of those in the "Tented City" pay telephones will be located in a central area.

### TENTS

Tents may be rented from any of several firms, including the following, and arrangements should be made direct with companies concerned:—

- A. J. Carter Mfg. Co., Ltd., London, Box 251.
- A. D. Enticknap and Son, Drumbo.
- J. A. Marchen, 348 Water St., Peterborough.
- Barrie Tent and Awning Co., Barrie.
- C. H. Petch and Sons, Ltd., 222-224 Strathecona Ave., Ottawa.
- D. Pike Co., Ltd., 125 King St. E., Toronto.
- Raymond Bros., London.
- Robt. Soper Ltd., 124 King St. W., Hamilton.
- J. J. Turner Co., Ltd., Peterborough.

### ST. JOHN AMBULANCE

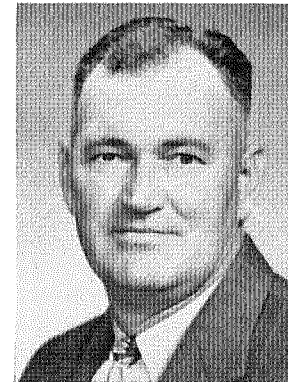

This organization is again co-operating by having a staff on hand to provide First Aid.

### WHEN YOU ARE TIRED

When you are tired, you may relax at the British American Oil Co., Ltd., Rest Centre Tent, also at the Bank of Nova Scotia Tent and Bank of Commerce Tent. A place for rest and discussion will be provided also in regular exhibit by the United Co-Operatives of Ontario.

### WATER

Water will be piped to the streets of the "Tented City" for the convenience of exhibitors and caterers, and taps will be conveniently located for use of the visitors.

**GEORGE FLETCHER**  
2nd Vice-President

## BANQUET SPEAKER

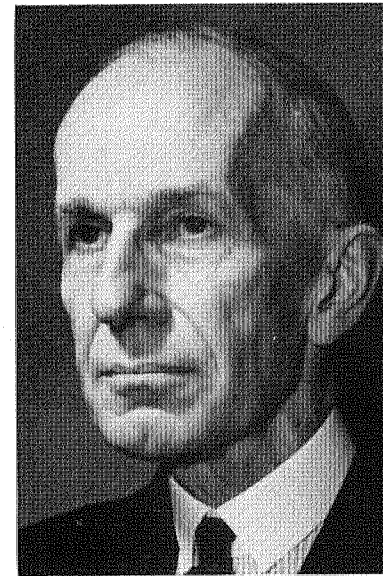

**HON. F. S. THOMAS**

Minister of Agriculture, Ontario  
Toronto  
Hon. President

The prize presentation banquet will be held in the Grafton Community Centre, east of Cobourg, on Friday, October 9th, at 7 p.m. The Guest Speaker will be Hon. F. S. Thomas.

## OFFICIAL OPENING

Rt. Hon. Vincent Massey will be present to officially open the International Match at 2 p.m. on Tuesday, October 6th. This will take place in Demonstration Area, "Tented City".

**RT. HON. VINCENT MASSEY**

Governor General of Canada  
Ottawa

WARDEN J. H. LOWERY  
United Counties  
Orono

*Welcome to*

## PLOWING MATCH VISITORS

On behalf of all our citizens, I welcome you to the United Counties of Northumberland and Durham.

Just one hundred years ago, these United Counties had the honour of holding their first Plowing Match. In the intervening years, great strides have been made in Agricultural methods. Also, means of transportation have so advanced that, today, we are welcoming you to the International and first World Plowing Match. This is a very great honour to these Counties, one that we do fully appreciate.

Northumberland and Durham, named after counties in England, have been associated in Municipal affairs since 1798. We have been United Counties since 1802.

The early settlers were chiefly from Great Britain. Following the American Revolution of 1776 and the Constitutional Act of 1791, great numbers of British Immigrants and U.E. Loyalists came to these Counties. They cleared the land, made farms, built villages and towns. During the years, these have been greatly improved.

We invite you to visit our towns and villages, inspect our farms, stock and equipment. We are happy to have you with us and sincerely hope your visit may be pleasant and profitable.

J. H. LOWERY,  
Warden.

RT. HON. J. G. GARDINER  
Hon. President

# A MESSAGE FROM THE MINISTER OF AGRICULTURE OF ONTARIO

Rapidly expanding industrial activity in the province is daily increasing the demand for Ontario farm products. This situation, which augers well for the future of Agriculture, makes it more imperative than ever before that proper land use practices be adopted by the Ontario farmer. It is incumbent on all of us to make sure that our soil is cared for in order that it may yield its maximum return. We must protect ourselves against the ravages of erosion, infertility, and decreased yields by adopting all the conservation measures at our disposal.

Farming, as we know it today, had its beginning in the development of the plow. From a primitive crooked stick that barely "scratched" the surface of the earth, has evolved today's efficient tool that has done more than any other invention of man to raise our standard of living.

Therefore it is with real appreciation of the importance of proper tillage that I extend my greetings to all those who by their efforts have created such interest in the great annual International Plowing Match. To those competitors who have entered the various classes I would say that the skill you demonstrate will do much to teach the farmer of the future the value of good plowing.

This year, on the occasion of the 40th year of this great competition, we welcome Plowmen representing 12 countries of the world. It is my sincere hope that the friendship and understanding that will develop between our overseas visitors and our Ontario citizens will set an example to all people in all parts of the world.

To you who have come from afar to compete in the First Annual World Match, under the auspices of the World Plowing Organization, the Ontario Department of Agriculture bids you welcome. May your visit prove to be happy and profitable; your memories of our association pleasant.

F. S. THOMAS,  
Minister of Agriculture.

COL. THE HON. J. J. DUFFUS  
Hon. President

MAYOR J. D. BURNETT  
Cobourg

## *A Hearty Welcome*

We look forward with a great deal of pleasurable anticipation to the International Plowing Match and the First World Contest in championship plowing. We feel that we have been highly honoured in having the site partly in our town, and we join with our sister town of Port Hope and the Counties of Northumberland and Durham in extending a very hearty welcome to all those who will be exhibitors, contestants or spectators during this event. I am sure the people of Cobourg will do their utmost to make everyone happy during their sojourn here and I trust our guests will have happy memories of their visit in Cobourg.

J. D. BURNETT,  
Mayor of Cobourg.

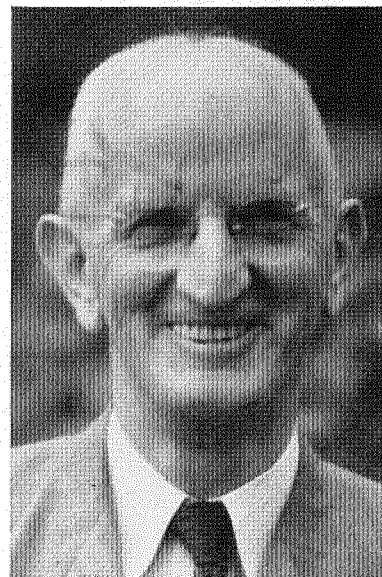

It is a pleasure for me to extend to your association and all visitors to the International Plowing Match in 1953 a very hearty welcome to the Port Hope area.

The citizens of Port Hope, in common with all citizens of the United Counties of Northumberland and Durham, are very happy indeed to play host to the 1953 Plowing Match, and we are particularly proud to know that for the first time in history your association will play host to the World Championship Plowing Organization, sponsors of the First World Plowing Contest.

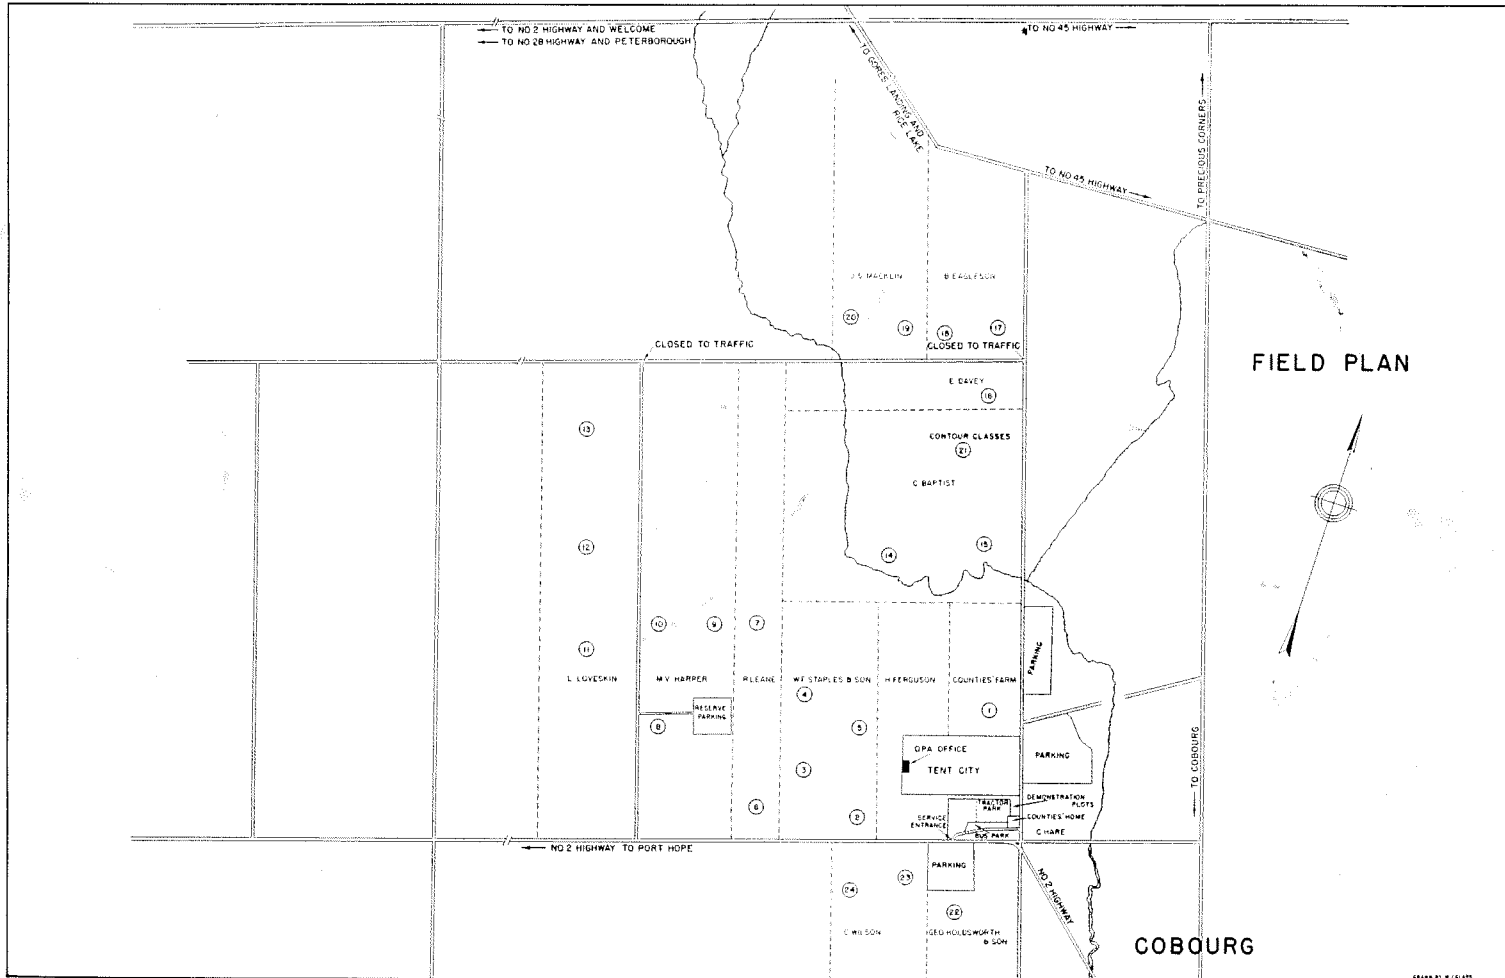

The principal objectives of your association, to encourage farmers, and particularly young farmers, to adjust and use plows, to arouse interest in and give demonstrations of the latest farm machinery; to foster rural skill; and to add pride and prestige to farm practices, are principles which commend the worthiness of your project to every citizen of the town of Port Hope.

Best wishes, and we sincerely hope that the 1953 Plowing Match may be the greatest one yet.

W. N. MOORE,  
Mayor of Port Hope.

MAYOR W. N. MOORE  
Port Hope

## RULES AND REGULATIONS – 1953 (Except for Ontario, Canadian and World Championship Classes)

1. (a) Competition will be open to all plowmen, but a resident of Ontario must have won a 1st or 2nd prize at a match conducted by a Branch of the Ontario Plowmen's Association. Competitors will be required to state on entry form when they last qualified.  
(b) This qualifying rule DOES NOT APPLY to contestants in Classes 3 to 13 inclusive on October 6th, open to residents of the Counties of Ontario, Peterborough, Victoria, Hastings, Prince Edward, Lennox and Addington, Durham and Northumberland, or to those chosen as team members to represent a Secondary School or a County in classes 29 and 40 respectively.  
Plowmen in local Counties, already qualified under Section (a) and those winning a 1st or 2nd prize in Classes 3 to 13 inclusive will be eligible to compete on the other three days of the Match.
2. Entries will be received at Headquarters Office "Tented City" on Opening Day, October 6th, up to 9.00 a.m., but in case of Class No. 1 (Ontario Championship), entry along with fee of \$5.00, should be forwarded to F. A. Lashley, Ontario Plowmen's Association, Parliament Buildings, Toronto, Ont., by SEPTEMBER 15th. Positively no entry in this Class AFTER the above date.  
Entries in Classes scheduled for October 7th, 8th and 9th, unless otherwise specified, will be accepted at Headquarters Office up to 5.30 p.m., on the day previous to competition.  
Entry limited to ONE Class EACH day.
3. Entry fee of \$1.00 will be charged in all Classes, except Class 1, (see rule No. 2).
4. Competitors within a 50 mile radius of the Match will be required to furnish their own TEAMS and TRACTORS. Those beyond 50 miles, who make application for a team or tractor, will be supplied at a charge of \$5.00 each, for the duration of the Match. Application must be made in writing to R. C. Banbury, Dept. of Agriculture, Brighton, Ontario, by SEPTEMBER 25th. Tractor applications should indicate the make, and the days on which required. Tractors provided for late applicants will be assigned by draw. Competitors are expected to supply their own PLOWS.
5. Lands will be allotted by draw ballot. Each competitor in TRACTOR classes will receive his ticket, bearing land number, at the Tractor Park between 8.30 a.m. and 9.30 a.m. For HORSE classes, competitors will receive their land tickets at the Field, from the Steward in charge.
6. Competitors must be ready to commence plowing by 10.00 a.m. each day.
7. Lands Committee reserves the right to provide either sod or stubble, for competitors, as circumstances permit.
8. Any competitor who fails to co-operate in the policy or procedure employed by the Local Committee in assigning teams or tractors, shall not be entitled to receive prize money, and may be debarred from competition.
9. Shippers MUST be used in all Classes. No cut allowed after FIRST ROUND, on coulter or share of any plow. Scratches will not be permitted in tractor classes, except single furrow.
10. No special attachment will be permitted on any plow.
11. After setting and removing stakes, NO ASSISTANT or COACH WILL BE ALLOWED on the contestant's land, in any class.
12. No shaping of furrows by hand, foot, plow stake, or otherwise, will be allowed, except by foot when the plow is in motion, and for scratches, first two rounds, last green round and sole furrow.
13. Lot number stake, as placed by Committee, shall be the centre of crown.
14. The CROWN, when a single furrow plow is used, shall consist of three rounds or six heavy furrows, after which contestant shall gather twelve additional furrows and then commence to cast off. When lands are too narrow to permit the application of this definition, same may be modified by the Steward in charge of the class.
15. The last three rounds and sole furrow shall constitute the FINISH. This rule may be modified by the Steward in charge, if deemed necessary.
16. The complete land will be judged, and the only consideration given a competitor will be where his neighbour's plowing is crooked, or otherwise below standard.
17. In the opinion of the judge, if the work of any competitor does not reach a minimum standard, a prize may be reduced or withheld.
18. Finishing time will be fixed and announced by Steward in charge of each class. Where contestant has to make an extra scratch, fifteen minutes will be allowed and he will be required to plow same width as other competitors.
19. A jointer plow is one with a share measuring not less than 8 inches, and with a breast measuring not less than 6½ inches. (Measure 6½ inches from the land side of plow to outside of bottom of mouldboard, from directly under the point where the top corner of the mouldboard touches the beam.) Furrows shall not be less than 9 inches in width, excepting in the CROWN and FINISH.
20. Average depth of furrows shall be not less than 6 inches, unless otherwise specified by the Board of Directors. ALL FURROWS MUST START AND FINISH AT SCRATCH.
21. In 10 inch tractor classes the plow must be set at 10 inches and the share measure not less than 7½ inches. In the 12 inch classes the plow must be set at 12 inches and the share measure not less than 9 inches.
22. In tractor classes plows must be left INTACT until lands are completed.
23. A contestant who has won a championship in horse plow classes cannot compete in other than open classes with a tractor, or vice versa.
24. The decision of the judges will be final.
25. "International Plowing Match" shall mean a match conducted by the Ontario Plowmen's Association.
26. The Association will not be responsible for prizes unclaimed by January 1st 1954.

## TUESDAY, OCTOBER 6, 1953

### JOINTER PLOWS

#### CLASS 1—ONTARIO CHAMPIONSHIP CLASS— TRACTORS, TWO FURROWS

*Competitors will follow rules governing World Competition and may be required to plow sod or stubble or both—see page 36, World Rules. Entry, together with \$5.00 fee, should be forwarded to F. A. Lashley, Ontario Plowmen's Association, Parliament Buildings, Toronto, Ont., not later than Sept. 15th.*

Stewards—W. L. Clark and Geo. Waldie.

1st Prize—Cash .....\$30.00  
2nd “ “ ..... 20.00

Two highest contestants in this class will be eligible to represent Ontario in the Canadian Championship Class 25 on Wednesday, October 7th.

#### CLASS 2—MAYORS' CLASS—TRACTORS, SOD TWO FURROWS

*Open to Mayors of Municipalities in the Province of Ontario.*

Stewards—Alston Campbell and H. A. Quinn.

Entry will be accepted up to September 25th.

Competition will be staged at 2.45 p.m., immediately following the Official Opening of the Match on Tuesday, October 6th.

Competitors will be expected to make their own arrangements for tractors and plows, but assistance in procuring same will be given if application is made to R. C. Banbury, Department of Agriculture, Brighton, Ont.

Each competitor will be required to plow four rounds and may use the service of a coach in setting the stakes and in completing the first round.

Time for starting and finishing will be announced by Steward in charge of the class.

Challenge trophy by J. D. Thomas, Hon. President Ontario Conservation Association.

Won in 1952 by Mayor Allan Lamport, Toronto. Each competitor will receive a special prize by the Ontario Plowmen's Association.

LOCAL CLASSES—(see Rule No. 1b, page 10)

#### CLASS 3—HORSES—OPEN

Stewards—Peter Marlow, Oscar Downey,  
Wm. Thompson.

**CLASS 25—CANADIAN CHAMPIONSHIP CLASS—  
TRACTORS—TWO FURROWS**

Stewards—Geo. Waldie, W. L. Clark.

Open to not more than two competitors from each Province in Canada. Method of choosing competitors for this Class will be left to the Provinces interested, but entries, together with request for tractors should reach F. A. Lashley, Ontario Plowmen's Association, Parliament Buildings Toronto, Ontario, not later than September 25th.

1st and 2nd prize winners will qualify to enter the World Championship Classes, on October 8th and 9th.

Competitors will follow rules governing World Competition, see page 36, and may be required to plow Sod or Stubble or both. Starting hour will be announced prior to day of competition.

Each contestant will receive an award from the Ontario Plowmen's Association.

Challenge Trophy for annual competition—ESSO SILVER PLOW, donated by Imperial Oil Limited. Miniature to be awarded to the Canadian Champion and trophy to be held by representative Provincial Plowing or Agricultural Group.

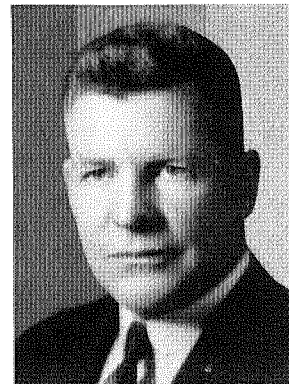

The 1953 Esso Silver Plow winner will automatically become eligible in the Esso world-wide plan for an expense-paid trip to the 2nd World Match, which will be held overseas in 1954.

The two contestants having the highest individual scores will forfeit their share of team cash prize and instead will be awarded a trip to the 1953 International Live Stock Exposition, Chicago, accompanied by a Manager, as guests of the British American Oil Co.

Former trip winners in this Class may compete, but are not eligible for trip.

Entries must be sent to F. A. Lashley, Ontario Plowmen's Association, Parliament Buildings, To-

ronto, Ont., not later than September 25th, and must include names of contestants. Entry fee \$2.00 per team.

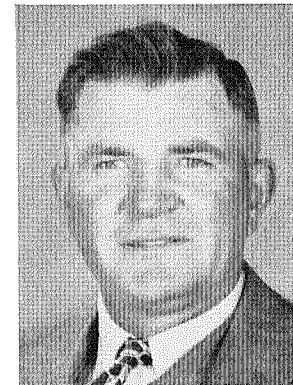

The Fred G. Fuller Trophy will be awarded to the highest ranking contestant.

The Ontario Plowmen's Association Trophy will be awarded to the team making the highest total score, and each member of the winning team shall receive a silver miniature as his personal property. The large trophy will remain in the office of the Agricultural Representative of the County winning it, and must be competed for annually until it has been won three times by one County team, not necessarily in consecutive years.

1952 won by Ontario County.

## CONTOUR PLOWING COMPETITION

### PRIZE LIST

#### Rules and Regulations

In addition to general rules for International Plowing Match, the following will apply:

1. Contestants will not be required to compete at a Branch Match to qualify.
2. Lands will be measured and staked on the contour for convenience of contestants.
3. Contestants are not permitted to use a HELPER or COACH, except for strike-out.
4. The Association reserves the right to restrict entries, should the number be greater than can be accommodated with suitable lands.

NOTE: Circular giving helpful suggestions for competitors in contour plowing, available on request to F. A. Lashley, Ontario Plowmen's Association, Parliament Buildings, Toronto.

### THE GLOBE AND MAIL CLASSES

*Competition open to all plowmen.*

WEDNESDAY, OCTOBER 7, 1953

CLASS 45—TRACTORS—TWO FURROWS

Plows set not less than 10 inches.

Steward—W. C. Barrie.

THURSDAY, OCTOBER 8, 1953

CLASS 46—TRACTORS—THREE FURROWS

Plows set not less than 12 inches.

Steward—W. C. Barrie.

1st Prize The Globe and Mail Toronto.

# FARM WELDING COMPETITION

## PRIZE LIST

### Rules and Regulations

1. Entry will be open to bona-fide farmers, and farmers' sons (those whose major income is derived from farming). Winners of Championship prizes in this contest in 1951 and 1952 may compete for cash prizes, but are not eligible for Championships.
2. Competitors will make entries at Headquarter's Office, "Tented City", between 10.00 a.m. and 12.00 noon, each day of competition. Entry fee \$1.00 for each class.
3. Contestants may compete in as many classes as desired, but not more than ONCE in any one CLASS.
4. Equipment and materials will be supplied.
5. Competition will be held between 10.00 a.m. and 3.00 p.m. daily, unless otherwise announced.
6. Each competitor will be required to complete a butt weld on 3/16 inch mild steel plate in flat position. Coupons are supplied sheared square. Competitors may prepare edges as desired.
7. Work will be subject to bend and tensile tests, and will also be judged on uniformity of bead, completeness of penetration, freedom from undercutting and amount of reinforcement.
8. Competition on Tuesday, October 6, will be confined to Counties of Ontario, Peterborough, Hastings, Prince Edward, Lennox and Addington, Durham and Northumberland.

Stewards: Prof. Jas. Scott, Gordon McGavin.

GORDON McGAVIN  
Director

## FOREWORD

In the past, "International Matches" have been announced by different Plowing Associations and competitors have entered from several countries. It has been agreed that usually these plowmen have been at a disadvantage as they were obliged to plow to standards and under rules prevailing in those countries and in the formation of which they did not have a voice. This restricted the exchange of plowmen between countries.

In the hope of providing a means of encouraging much wider international competition, there was an exchange of correspondence between interested persons of different countries over several years. Later, three international conferences were held and finally, at the last of these at Falkirk, Scotland, in November 1952, the World Championship Plowing Organization was formed and a governing board was elected.

## PRINCIPAL OBJECTIVES

1. To provide a vehicle for international competition in the art of match plowing on an equitable basis.
2. To raise the standards of plowing, soil cultivation and soil conservation in all participating countries.
3. By encouraging these better methods to increase the world production of food.
4. To encourage pride in recognized farm skills.
5. To promote the prestige of agriculture in all countries.
6. To make a substantial contribution to international understanding and goodwill among the citizens of many nations.

## RULES FOR WORLD CHAMPIONSHIP CLASS

1. **COMPETITORS.** Competition is open to all countries of the world. Each country may enter two competitors only, who must be the officially acknowledged Championship Plowmen of that country and of which they must be national citizens. There is no age limit.  
The Competitors must be entered in the Contest by the acknowledged authority representing plowing interests in each respective country and such body must satisfy the International Governing Board that it is properly represented.
2. **TYPE OF PLOWING.** The World Class will be limited to tractor plowing until further notice.
3. **TYPE OF PLOW.** The contest is limited to mounted or trailer semi-digger two-furrow plows fitted with skimmers, but no other extraneous attachments such as fins, knives, boats, seamers, press wheels or weights may be used other than a standard tailpiece.
4. **TYPE OF LAND.** Each competitor will be required to plow one plot of grassland and one plot of stubble land.
5. **SIZE OF PLOTS.** Each plot will measure approximately  $\frac{1}{2}$  acre (English) or about 2,000 sq. yards.
6. **TIME ALLOWED** for plowing of each plot will be 3 hours.
7. **JUDGES.** There will be one judge appointed from each country taking part in the Contest. Judges must satisfy the Governing Board that they have been specially instructed in these International Rules.
8. **SUPERVISION.** These Rules will be strictly enforced and Competitors will be required to abide by them under the supervision of special Stewards who will wear white coats and identity badges in order to be easily recognized.
9. **FURROW SIZE.** The width of furrow is at the Competitor's discretion, but the depth must be not less than 5 inches and may be from 5 inches to 7 inches according to the type of land. Skimmers must be used. No cut allowed after first round on the coulter or share of any plow.
10. **GRASSLAND PLOWING.** In plowing grassland the Competitor may use his own discretion as to what method he chooses to make the opening. He may make a "gather" or draw a split.  
shall be made in which the rippling is turned out, then in the reverse direction the scratch shall be gathered to the centre, thus ensuring all the land having been cut. After this, plowing begins and no handling is permitted.
11. **STUBBLE PLOWING.** In Stubble plowing, Competitors must make an opening scratch at the "setting out". The strip must be well cut through so that no land is left unturned in the middle of the ridge. First a split scratch
12. **SIGHTING AND SETTING OUT.** Three sighting poles only may be used. The use of a guide line, footmarks, stones, sods or anything else instead of, or additional to the three permitted poles is forbidden. The plot number stake, as placed by the Board, indicates the centre of the crown. The help of a second person in placing and removing sighting poles is the only assistance permitted to any Competitor.
13. **NO ASSISTANCE ALLOWED.** After completion of "setting out" no person other than the Competitor, Judges and Officials authorized by the Governing Board will be allowed on any plot.
14. **FURROWS.** No shaping of furrows by hand, hand held instrument or by treading, or other manipulation will be allowed, excepting for scratches only, which may be handled, but not removed. The "finish" comprises the last three rounds and the sole furrow.
15. **METHOD.** After completing the crown, Competitors must plow two heavy furrows six times about and then commence to throw out. This means that there will be twelve heavy furrows gathered on each side of the crown.
16. **INFRINGEMENT.** A competitor breaking any of these Rules shall receive only one warning and automatically forfeit 5 points. Upon a second infringement the Competitor will be disqualified by the Judges and Governing Board.
17. **STARTING AND FINISHING TIMES.** A green warning aerial signal will be fired at 11.25 a.m., and 5 minutes later at 11.30 a.m. a red signal will be fired indicating the moment of the start of the Contest. Three hours later at 2.25 p.m. a green warning signal will be fired, followed five minutes later at 2.30 p.m. by a red signal, from which moment the Contest is ended, when all plowing must cease.
18. **PERIOD OF CONTEST.** The Board will arrange for the grassland and stubble plowing to take place on either one day or on two successive days, according to organizing convenience.  
*Note:* Only one tractor wheelmark allowed for on the cast-off which shall be made in the normal course of plowing. Any wheelmark other than this shall be considered manipulation of the furrow, as in Rule 4, and the Competitor will be disqualified.

### WORLD CHAMPIONSHIP CLASS

THURSDAY, OCTOBER 8, 1953—11.30 A.M.

#### Section "A"—Stubble Land.

Tractor—Semi digger or Jointer type of two furrow plow.

Competitors should have their sighting poles set out before the starting time. (See Rule 17 re starting and finishing time.)

FRIDAY, OCTOBER 9, 1953—11.30 A.M.

#### Section "B"—Grassland or Sod.

Tractor—Semi digger or Jointer type of two furrow plow.

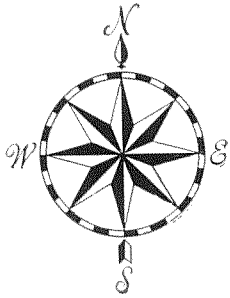

The scores for Section "A", Stubble Land, and Section "B", Grassland, shall be totalled for each competitor and The Esso Golden Plough awarded to the contestant having the highest aggregate score.

The Esso Golden Plough, emblematic of world championship tractor plowing—donated by Imperial Oil Limited and Esso affiliates in:

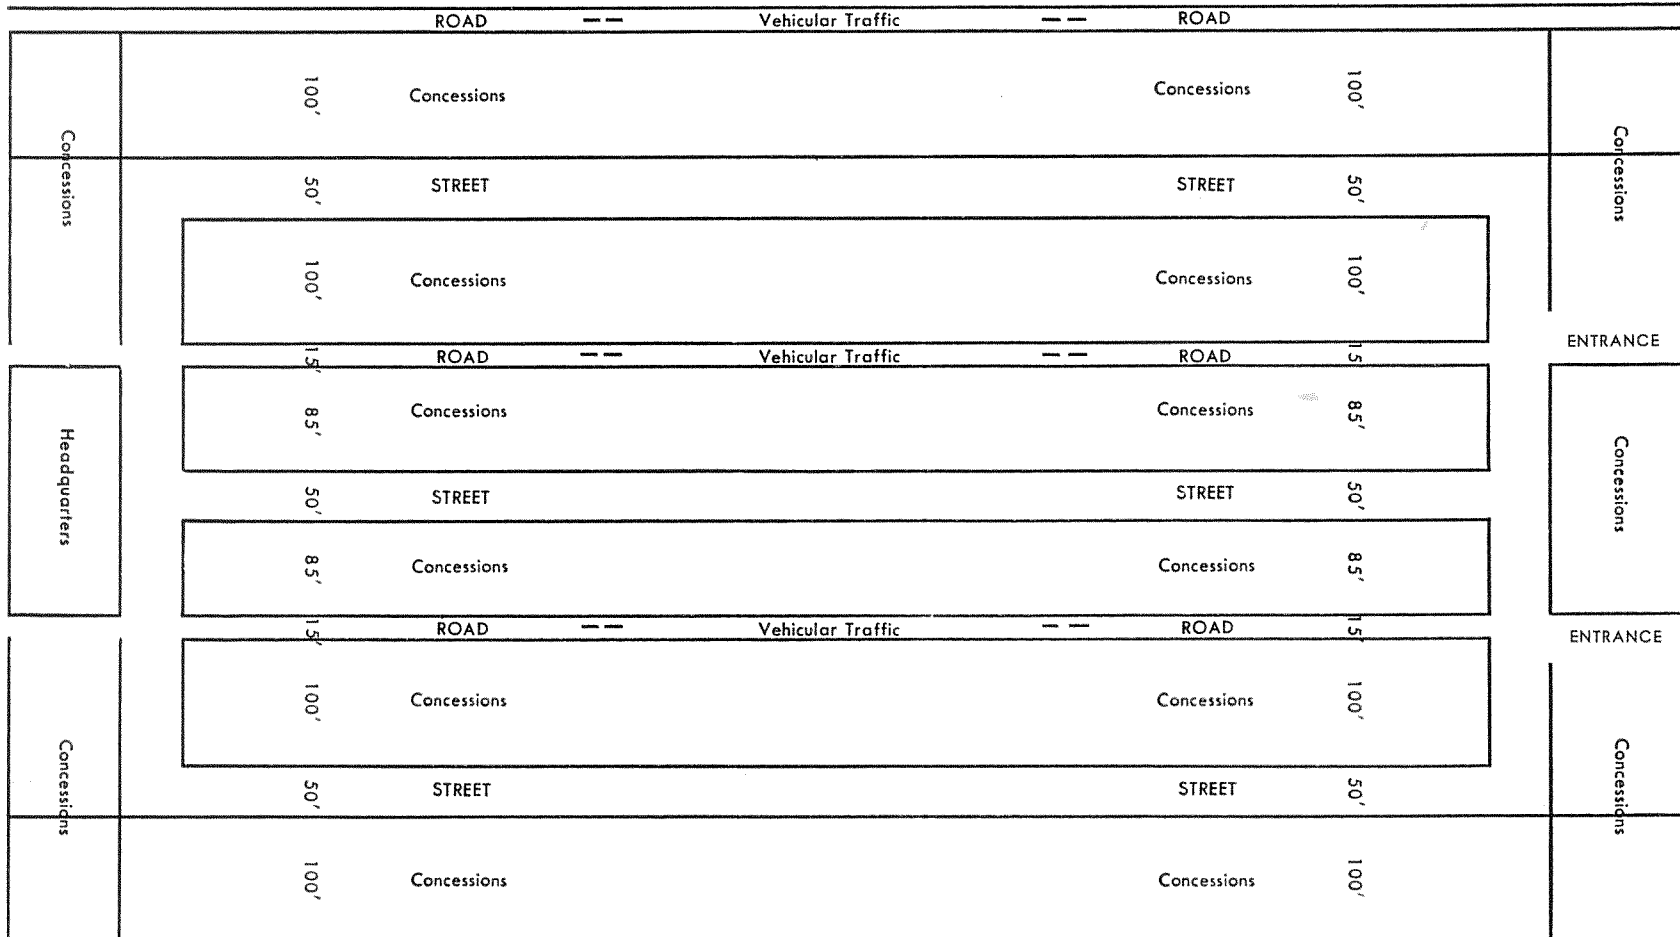

Belgium	France	Sweden
Denmark	Holland	United Kingdom

### JUDGES' METHOD OF SCORING

	Maximum Points
CROWN, otherwise known as ridge, middle or opening. (Opening furrow shall be straight and uniform throughout) .....	20
BURYING of grass or stubble. (Skimmers must be used and all grass and weed growth must be buried out of sight beneath the sod) .....	15
FIRMNESS or Packing. (The furrow must feel firm under the foot and there must be a minimum of crumbling of the furrow wall. Furrows must be laid neatly packed together and have no gaps through which grain might be lost under the sod) .....	15
SEED BED (i.e. Soil made available). (The up-turned sod must present enough soil to quickly produce a good deep tilth when subsequent cultivations are applied) .....	15
APPEARANCE (includes straightness and uniformity of the furrow and the ins and outs, or land ends, must be in a straight line even with the end stakes) .....	15
FINISH, or furrow. (Comprising the last three rounds and the sole furrow. The Finish shall be
