Message from the Chair

For the past ten years, it has been a pleasure, indeed an honour to be associated with Cobourg Legion Minor Softball.

I have watched players grow from tadpole to midget level in both house league and rep ball and then go on to more senior levels of the sport. I have had the unique opportunity to be part of this growing community experience that offers its members a full summer of fun, competitive activities, all while providing a true learning experience.

I believe that our program offers not only excellent athletic development, but also has a positive affect on social skills development as well. Programs such as ours should be considered an integral part of community life and growth.

Of course, none of this would be possible without the dedication of our volunteers, financial support of our sponsors, and most of all the participation of the players.

I would like to thank all of the coaches, managers, volunteers, parents, and especially the players for their participation in the 2004 season.

Congratulations to all of our house league and all star teams and players this year for their successes during the season.

*Sincerely,
Brian Davey
2004 Chairperson
Cobourg Legion Minor Softball Organization Inc.*
