# Welcome....

Cold Springs Cats extend a warm welcome to all visitors and participants of the 2001 Eastern Canadian Championship Tournament.

We hope your stay in the Cobourg area is enjoyable and we offer the best of luck to our competitors.

On behalf of the "Cats" I would like to express my appreciation to the numerous sponsors that have made our teams and therefore this tournament possible.

A special thanks to Chris Calbury, Anne Quigley and Baltimore Recreation Centre Board of Management, who have taken an active interest in staging this event.

I would like to dedicate this tournament to the memory of Jim Bradford - a former player, respected umpire, fellow educator and friend. Jim was an active member of the community and will be missed. On behalf of fans everywhere, I extend deepest sympathy to his family.

Sincerely,  
**Ewart Timlin, Manager**

**The Outfielders**

The man in Center, Left or Right  
Presents a most heroic sight;  
At crack of bat, he eyes the ball  
And races bravely for the wall;  
He smacks the concrete with his leap  
And crumples in a mangled heap;  
Three runs are scoring - what a shame  
To lose an exhibition game!

The Calgary Cannons Masters Fastball Club came into being in the season of 1993. At that time most of the players were playing with intermediate fastball teams. There are only 4 players with the team now, that started in 1993. Our team is made up of the Cannons and the Rockies. The Rockies won the Alberta Masters Championship & the Western Canadian Masters Championship two years ago. Most of the players on this team have played senior fastball in their golden years. We all love the game and we all love to compete. It is a lot of fun to travel and play against new teams and probably play against guys that we played against many years ago and to socialize after the games is not bad either. Our ages range between 41 and 55 years respectively. Our team represents most or all the provinces of Canada.

## The Pitcher

The dazzling speed of Roger Cole dazzled not only hitters but plate umpires as well. Pitching to a batter during one game, Cole fired two fastballs past him for called strikes. Then instead of wasting the third pitch, he hurled an even faster one straight down the middle of the plate. It whoosed by the hitter before he could get his bat off his shoulder. The unnamed Cobourg umpire called it a ball. Roger who rarely disputed a call, asked from the mound, "Mr Umpire, that looked like a strike to me." The umpire shook his head, "Maybe it looked that way to you, but it sounded low to me."

### The Catcher

Behind ten pounds of pads and mask,  
John Cane has a  
thankless task;  
While pitchers throw  
and batters swat,  
He's in a state of  
constant squat,  
Deflecting fast-balls  
with his ear  
And taking foul-tips on  
the rear;  
Yet, through it all, he'll  
still persist  
Like any normal  
masochist!

### The Second Baseman

In courage and raw guts  
supreme,  
Stephen Mitts leads the team;  
As middleman for double  
plays,  
He throws to First, then gulps  
and prays  
That somehow he will save his  
skin  
From spikes and runner  
crashing in;  
Can he avoid this dreadful  
fate?  
Just see him jump - tch - tch  
too late!

## The Manager

The Manager's a mournful gent  
With shoulders stooped and body bent;  
Although he's not a holy man,  
He's learned to pray the best he can;  
This afternoon he's forced to see  
His club lose 17 to 3;  
No wonder that he has one dream -  
To manage the opposing team!

# History of The Cats (1975-2001)

The Cold Springs Cats were formed in 1975 and consequently, for several years, participated in a variety of leagues which included the Peterborough City League, the Oshawa and District City League, the Eastern Ontario Fastball League and the Ontario Fastball league. During the late eighties and until the present time the team decided to play in a number of tournaments while also participating individually for different softball clubs, in the area.

The club was reunited in 1996 at the Masters' level. Eleven of the former 1980 Senior "A" Champions, who represented Ontario in the Nationals in Saskatoon, were involved in that team. The Cats' entry found success in winning Masters' O.A.S.A. Championships in 1996, 1997, and 1998.

In 1997 and 1998, besides earning provincial honours, the team won the Canadian Masters title in Cobourg and St. John N.B. respectively. Recently, during 2000 and 2001 the Cats gained bronze medals in Mitchell.

On the field activities have been only one source of satisfaction in forming the Cats' Masters team. Rekindling old acquaintances throughout Ontario and other provinces, I feel has been a greater source of satisfaction.

## THE NEW BALTIMORE RECREATION FACILITY PROJECT 2001 .... JOIN THE TEAM

*"To provide the residents of the local and surrounding areas with a modern recreation facility to enhance a higher standard of health and fitness for all members of our community."*

Our Committee is fundraising for a new facility in Baltimore which includes renovating our current arena, adding a second ice surface and more meeting room space. The community is growing rapidly and with our current aging facility we cannot meet the needs of the area. From our studies, we can estimate that this new facility will benefit over 1,700 area children, as well as approximately 450 adults who are all experiencing ice shortages. Numerous service clubs, benevolent groups and youth community programs will also enjoy the added meeting space.

With numerous ongoing events being run with proceeds being directed to Project 2001, our Committee is continually reminded of the hard work, dedication and generosity of groups and individuals alike that both live in, and visit, this area. This event is no exception. The Cold Springs Cats organization generously hosting this event along with the tremendous efforts of Ewart Timlin and Chris Calbury, ensure this will be another success story. Our Committee and our municipality sincerely thank them for their efforts and are proud to have them as valued community members.

On behalf of the Baltimore Recreation Centre Fundraising Committee, we would like to welcome everyone to this tournament. We trust that you will have a terrific time while you are here and wish all teams the best of luck and safe travel.

Yours in Recreation,

Anne Quigley,  
Co-Chair, Baltimore Recreation Centre Fundraising Committee
