It's more than a matter

of **PAPER and INK**

PRINTING is usually designed to do a specific job. Whenever you are planning an important mailing piece it is imperative that you have the guidance of a thoroughly experienced counsellor. He will help you avoid errors of judgment and overcome the various technical production problems. Using his practical knowledge will enable you to produce printed material of outstanding quality, with a minimum of cost.

--------------	--------------	-------------------	------------------

The Executive express their thanks to the mothers and fathers of those participating in the Carnival for their untiring work in its production. We also appreciate the help received from friends outside of our membership, particularly the assistance and co-operation given to us by Mr George Mitchell, the arena Manager.

Thanks go also to our guest stars, Miss Wendy Griner, Mr Jack Dickens, Miss Svata Staroba and Mr Mirek Staroba for appearing in the Carnival. (Sanctioned by The Canadian Figure Skating Association)

JOHN RODWAY.

Our senior Club professional, has his Canadian Figure Skating Association seventh figure test, and the Silver dance test, and so is well qualified to instruct our skaters. This is his fourth season teaching at our club.

In addition to Cobourg, Mr. Rodway teaches at the Oshawa Skating Club and The Quinte Skating and Tennis Club, Belleville, during the winter and at Weston in the Spring, Summer and Fall.

Mr. Rodway skated with the Toronto Skating Club for seven years before turning professional. He has also attended summer schools.

We feel that we are fortunate in having John Rodway for our professional.

CHINESE DANCE: Left to Right.

Skating Club Important Community Activity

It was just over nine years ago that a few energetic, public minded skating fans, got together and established the Cobourg Figure Skating Club. During that time, the club has become an increasingly important part of community activity until it now exerts an effective impact upon community life. While the membership is open to all ages, the emphasis has been, and will continue to be, on the young people.

Activities in the Cobourg Figure Skating Club include three forms of skating instruction for beginners, namely, school figures, dancing and free skati. Members may skate three times a week and instruction consists of tracings on a Figure 8, both forwards and backwards and on either foot. Dancing is started by learning the simplest Dutch Waltz and as proficiency grows, other variations of figure skating and dancing are taught and tests are held twice year.

The value of figure skating in building strong, healthy bodies is more and more a recognized fact. There have been many instances in which physically handicapped people have developed into normal beings through the exercise obtained from this activity. Needless to say, figure skating also benefits those who are not physically handicapped. As an example, for people who are over-weight, one hour of figure skating can use up to 2,000 calories. Professional hockey players are turning more and more to figure skating as a means of improving their game. Other people, such as models, actresses, etc., whose livelihood is largely dependant on their poise and good health, are taking up figure skating to improve their timing, co-ordination of mind and muscle and the development of more grace and poise. Figure skating also demonstrates both competitive play and team work - for the perfectionist, be he boy or girl, man or woman, no sport holds greater incentive.

In past years, the membership consisted largely of girls as most boys had the erroneous idea that figure skating was for girls only. Fortunately, more boys each year realize that in addition to all other benefits, figure skating improves their balance and timing so much that they are less prone to hockey accidents and their game improves greatly!

club is proud of its Junior and Senior boys. There are sixteen boys in the senior section and we hope there will be twice as many next year.

It is the responsibility of the club, and it is in mind that the cost must be kept within the average family budget in order to allow the participation. This has not been easy, as costs have been increasing each year and particularly this year. Two additional professionals have been added in order to give every member the attention. This has only made possible the unselfish efforts of local citizens working without thought of personal recognition and by local advertisers and other organizations who recognize the importance of the Cobourg Figure Skating Club and support it. It must be kept in mind by all Cobourgers that in order to continue this policy, every individual must do his share to ensure there will be sufficient returns from ticket and program sales to cover the annual skating carnival and that skating costumes and teas are a must on their list of winter activities.

Staging the ninth annual carnival on the 13th day of February, the Executive presents what will be some an important and spectacular community event. They are proud of the young people who perform for your entertainment and they know you will be proud of them too. Much of the credit for the program arranged for the carnival goes to the professional, Mr. John Rodway, who this year is ably assisted by Miss Barbara Ann Smith and Miss Nancy Thompson. The progress being made from the youngest novice to the most accomplished performer, is a tribute to Mr. Rodway and his assistants.

Thanks are directed to the outside skating clubs for permitting some of their outstanding skaters to participate in this program and special thanks go to the mothers, bless them, who, working behind the scenes making costumes and doing the many things which come within the scope of their duties, make it possible for the club to give you entertainment. Finally thanks to all our advertisers and to all others who have helped.

Trophy Winners

(Competitors)

Due to the fact that our Carnival this season is being held in February, rather than March as in former years, there is not a list of trophy winners to publish. Club competitions will take place before the season closes in March Next.

Elsie Burnham Memorial Trophy

The coveted Elsie Burnham Memorial Trophy for the 1957-8 season was presented to Miss Marlene Slater at the party following the Carnival last year. The winner of this trophy for 1958-9 is still, of course not known.
