### Directors

**MR. G.S. EDWARDS MR. DON McKIM MR. A.M. SMITH MAJOR E.J. CAREY**

The executive express their thanks to the mothers and fathers of those participating in the Carnival for their untiring work in its production. We also appreciate the help received from friends outside of our membership. (Sanctioned by The Canadian Figure Skating Association).

MARGO KNOWLES & JOHN RODWAY

Miss Margo Knowles is from Kapuskasing and she has passed her sixth test and has her senior Bronze Dancing.

This is her third year as a skating instructor and we feel very fortunate in having Margo as an assistant professional.

John, our senior Club professional, has his Canadian Figure Skating Association seventh test, and the Silver dance test, and so is well qualified to instruct our skaters. This is his fifth season teaching at our club.

Mr. Rodway skated with the Toronto Skating Club for years before turning professional.

**GUY REVELLE & DEBBIE WILKES**

**They are from the Unionville Figure Skating Club and are the Canadian Junior Pairs Champions 1959.**

# A Message From The President

The Cobourg Figure Skating Club is now over ten years old and it remains a vigorous organization filling an important need in the life of our community. Over the years many citizens have given freely of their time in an effort to increase the popularity of figure skating and these efforts have met with considerable success, as evidenced by the enthusiastic group of skaters, parents and friends who have supported the club throughout the season and are here in force at the Annual Carnival.

Every effort has been directed towards interesting young people (though our adult skating group is growing) in figure skating not only for its healthful aspects as a body builder but also because figure skating develops grace, poise, co-ordination and a spirit of co-operation between participants. For a time many boys were of the opinion that figure skating was "for the girls". Though this view is still held by too many, those who have interested themselves in figure skating realize from personal experience that this is certainly not the case. Professional and amateur hockey players have long known this and in fact it is not unusual to discover that many hockey idols have had early training as figure skaters which, they are the first to admit, has improved their hockey performance. There are countless examples of figure skaters among actresses, models and other people in the public eye for they have learned the tremendous importance of poise, good health and the co-ordination of mind and body which comes as a result of their healthful skating activities. Leaders in countless fields have often spoken on the value of figure skating to boys and girls as a developer of discipline and tenacity, both of purpose as an individual and also as a member of the group.

At this time I wish to pay tribute to our club skating professionals who have contributed so much to the success of our activities. In order to provide our children with the best of instruction Mr. John Rodway was retained as club professional and to assist him a second professional, Miss Margo Ann Howles, also joined our instructional staff. She in turn has been assisted on a part-time basis by

(Continued)

Mrs. Peggy Markham and periodically by Mrs. Dorothy Emerson, both club members and skaters of considerable professional experience. Without this group of dedicated figure skaters our club would not be.

Your club has much enjoyed having with us the many fine figure skaters from the Port Hope Figure Skating Club which decided to suspend operations for this year. This opportunity to get to know members of our sister club is one everyone here in Cobourg welcomes.

I think you would wish to know something of the club's financing, though I shall not bore you with dry statistics. Suffice to say, your executive and the Mothers' Group have tried very hard to hold the line on operating expenses and, as you know, membership fees were not raised this season despite some unavoidable increases in operating expenses. Our aim has been to provide instruction of the highest standard and the maximum of skating time. In addition, a limit to the number of costumes required for most participants in the Annual Carnival was made in order to reduce extra costs to each family, keep figure skating within the average family budget and allow maximum participation. Even with the most conscientious management and the selflessness of many citizens, this would not be possible if it were not for the support given by the local advertisers which you see in this programme. Therefore, I enjoin you to support these civic-minded persons, organizations and merchants. The financial support provided by the Cobourg Recreational Commission through the provincial grant, the funds received from our Club Mothers' Group as a result of their annual dance and other social activities, the sale of tickets and programmes for the Carnival are all important sources of income without which our club could not exist in its present form. I mention these things in order that parents and friends will realize that the fees paid for club membership are in fact only a small portion of the revenue required to operate our club.

In planning this year's Carnival the dates were selected in order to have the Carnival over before Easter school examinations and also allow those members who wish to pass tests as much time as possible for practice. The accent in the 1960 Carnival is on colour, movement and variety. The programme, though shorter than last year, is of fast-moving character and, speaking for myself and your executive, I hope, will please each and everyone of you.

# Trophy Winners

(Competitions)

Due to the fact that our Carnival this season is being held in February, rather than March, there is not a list of trophy winners to publish. Club competitions will take place before the season closes in March Next.

## Elsie Burnham Memorial Trophy

The coveted Elsie Burnham Memorial Trophy for the 1958-59 season was presented to Miss Marlene Slater at the party following the Carnival last year. The winner of this trophy for 1959-60 is still, of course not known.
