COURTEOUS SERVICE AT ALL TIMES

THE GALLOPING GHOSTS

By ED. HAYNES

The present Cobourg Rugby Football Club, now known as the Galloping Ghosts, was formed way back in the pre-war days of 1935. The first President of the club was none other than the present Manager Fred M. Dufton, whose wonderful interest and enthusiasm for the gridiron sport has kept full pace with the equally wonderful achievements of the Galloping Ghosts of recent years.

The first year of operation, 1935, was a doleful one indeed for the then called "Red Raiders". That season the team met defeat every time it played. And in the 1936 season it was the same story, except for one lone victory. However, with the hard work and defeat came experience and in 1937 Cobourg was presented with the first of several Ontario titles by the Cobourg team. That year the team copped the Ontario Rugby Football Union Intermediate "B" title.

The first title in '37 was but the first of better things to come however for the club stepped into the "A" ranks in 1938

Thank You!

The Cobourg Rugby Football Club, wish to take this opportunity of saying "Thanks", to all who have assisted in any way in this and other seasons.

We commend to you as sportsmen, those sports-minded businessmen who have supported the team by advertising in our programme. Without their generous support it would be difficult to field the team. Thanks also to the Kiwanis Club of Cobourg for their excellent co-operation in making their Kiwanis Park available to the team.

THE GALLOPING GHOSTS

(CONTINUED FROM PAGE 4)

and once again brought home the bacon to give the old town its second Provincial championship. The team became triple crown winners in 1939 when the third consecutive Ontario title was won by the team. This marked the end of both titles and football for it was of course, in 1939, that the second great war began. With just about every man on the team joining the forces the team disbanded for the war years.

Reformed in 1946, the post war edition of the Galloping Ghosts resumed right where they left off by copping not only the Ontario championship but trimming Montreal to win the Dominion Intermediate Football title. This team swept all opposition without the loss of a single game. In 1947, last season, the Ghosts won their group title and gained the Ontario final, losing to Niagara Falls.

This year's team, coached by Bob Cooper, is composed almost entirely of town and district athletes, graduates for the most part of district high schools. A fine bunch of fellows, working as hard as they know how to give the fans another championship.
