Bill is the ultimate "utility" player when it comes to consideration for induction into the Cobourg Sports Hall of Fame. He was a talented player, a coach, an organizer, a fundraiser and a community leader.

Bill's life in sport began in hard ball country near Ivy Ontario. Baseball in the summer, hockey in the winter at the local gravel pits and ponds. Darts and pool to fill in between seasons and of course euchre! He was a good athlete and a keen competitor in any game/sport where a score was kept. Thus the seeds were sown for many a barnburner, and one game one game only anybody in the house!

In 1964 as a young man, he moved from the area to take a job in Cobourg. Here begins the legend. When he first moved to town he couldn't find a team to play on, after taking stock of the sports scene, he found a fastball team in need of a catcher. This just happened to be his position! He played in the town league for a few seasons where he made many friends and lifelong connections to the sport. Through those contacts Bill found the local mercantile hockey league had a team looking for a goalie (that just happened to be his position). He was even recruited to play nets in broomball after playing a few games between the pipes in the local hockey league.

He continued to play town league fastball and mercantile hockey from the mid 1960's until the late 1990's. With any good athlete, local league play often leads to other opportunities. Dart leagues bowling leagues, horseshoe tournaments, golf tournaments in the area often featured Cowboy as the eventual winner.

It was his skill as a fastball catcher that took him around the country. He played for the Oshawa Toney's and won a Senior A men's fastball title (circa 1978). He was a sought after player and was a pick up for Owen Sound and Barrie ISC teams as well as Trenton and Peterborough Senior teams. It was the Cold Springs Cats teams of the 80s and Masters Version of the 90's that were his greatest achievements. The 1980 Cold Springs Cats were seeded 19 of 20 men's fastball teams at the Senior A Ontario Championships. They worked their way through the tournament and won the championship. This required the team to head to Saskatchewan for the Canadian Finals. The team played to a 4th place finish. Bill holds the record for most put outs in one day at this National Championship event. For this, and his energetic excellent performance, he received a standing ovation at the park.

The Masters version of the Cold Springs Cats won three consecutive Canadian Men's Masters Fastball titles in 1995, 96 and 97.

If you knew Bill, you could hear him at the ball park before you could see him. He was relentlessly positive, motivating his team to "pick it up a notch". Never a bad word to say to the other team (umpires maybe not so much), always chirping good things to his teammates... His energy could lift a team almost singlehanded to a victory... (and a good pitcher made a little better by a big hearted, sure handed, full throated catcher).

However, you would have equally and more importantly noticed his large presence. He was a BIG hearted fellow who would make you feel as though you are the most important person in the world. This BIG personality and huge sense of humour create a natural magnetism. People just wanted to be work with and be involved in events with him. (He was a high draft pick!) There was no one on the planet who could sell 50-50 tickets like him.

As community leader and fundraiser he used his skills to benefit others. He coached Legion baseball and helped with fundraising initiatives. He raised thousands of dollars for hockey teams, baseball teams, community causes and those who may have fallen on hard times. Where ever there was a need, Bill was there to chip in with help, selling tickets or buying/playing in so many euchre, golf and community tournaments, it's a wonder he had time for anything else. He never waited for someone else to do something... he saw a need, and let his big heart be the initiative for helping others.

Bill was awarded Cobourg Citizen of the Year in 2021. An award well deserved given to a man who had given so much to the community at large. Such an honour as helping others just came naturally to him.

He had a genuine love of sport, believing there is a role for everyone in sports experiences; the more the merrier! This might include being a player, a coach, a referee or supporter. He was a hard guy to say no to, with that big booming voice. (He recruited many volunteers using that as disarming advantage!)

A great leader/builder is one who has a BIG vision, who can put people in positions to be successful and support them in those challenges. It is a rare to find a guy who was able to achieve success on so many levels but was mostly driven by helping others to reach those heights. Cowboy was one of a kind.

Thank you for your consideration of Bill Elliott for Induction in the Cobourg Sports Hall of Fame.

To the Civic Awards Committee,

Re. Nomination of Bill "Cowboy" Elliott (Nov 7/45 – Dec 31/20) for Sportsmanship Award 2021.

Bill "Cowboy" Elliott arrived in Cobourg in the Spring of 1966 at the age of 20. Over the next 50 years, Bill was a huge contributor to the Cobourg Sports Community. He was an elite athlete in his role as Back Catcher for the Cold Springs Cats and several other teams. He was also an exceptional goaltender in hockey, and was a competitive golfer, dart player and bowler.

Bill's proudest accomplishments in sports, however, were in the opportunities he found to give back to the Organizations he loved. Bill's involvement included Coaching and Umpiring Youth Softball, sponsoring Youth teams in Softball, Baseball, Bowling and Darts as well as adult teams in Hockey and Softball. Bill was willing to take on any challenge in life with an enthusiasm few can match.

Bill's fundraising efforts through his legendary Euchre Tournaments, 50/50 draws and raffles raised tens of thousands of dollars for countless teams and individuals. On occasion, Bill would see a need, organize a fundraiser and hand over an envelope full of money to an unsuspecting recipient expecting no fanfare or credit to himself.

Bill spent many years on Executive Committees for a number of organizations. He served on the Cobourg Men's Softball, Cobourg Men's Mercantile Hockey, Cobourg Cougars OHA Junior C Hockey Club (two terms) and Cobourg Minor Softball Executives.

Included in this package are letters of recommendation, newspaper articles and testimonials from people and events chronicling Bill's sports legacy. It was difficult to choose among the myriad of materials we had available.

In summary, I feel that Bill Elliott would be an ideal recipient of the Sportsmanship Award. I am basing this not only on his own athleticism, and his coaching contributions, but also the contributions he has made to this Community. He has contributed thousands of hours and fundraising dollars for the betterment of our local Sports Associations.

Sincerely,

Greg Rylott

Bill (Cowboy) Elliott,

A Tribute to a Legacy:

When Bill arrived in Cobourg, I found him to be a lean, quiet individual. Over a period of time, he emerged as a solid, dependable person, who would complete any task that he encountered.

As a Cold Springs Cat, Bill was on several Ontario, Canadian and (North Bay) World Championship teams and developed into a vocal leader in many aspects on and off the field. One particular episode has stood out in my mind. That situation occurred in the Canadian Senior A Championships staged in Saskatoon. At his last appearance at home plate, the spectators (with about 5000 in attendance) stood and applauded Cowboy because he had been such a welcoming standout with all of the batboys and a host of other individuals.

If I had enough space allotment, I would recount other key occurrences Bill has initiated. Nevertheless, Cowboy has left his earthly existence but his memories will persist for countless individuals for future years to come.

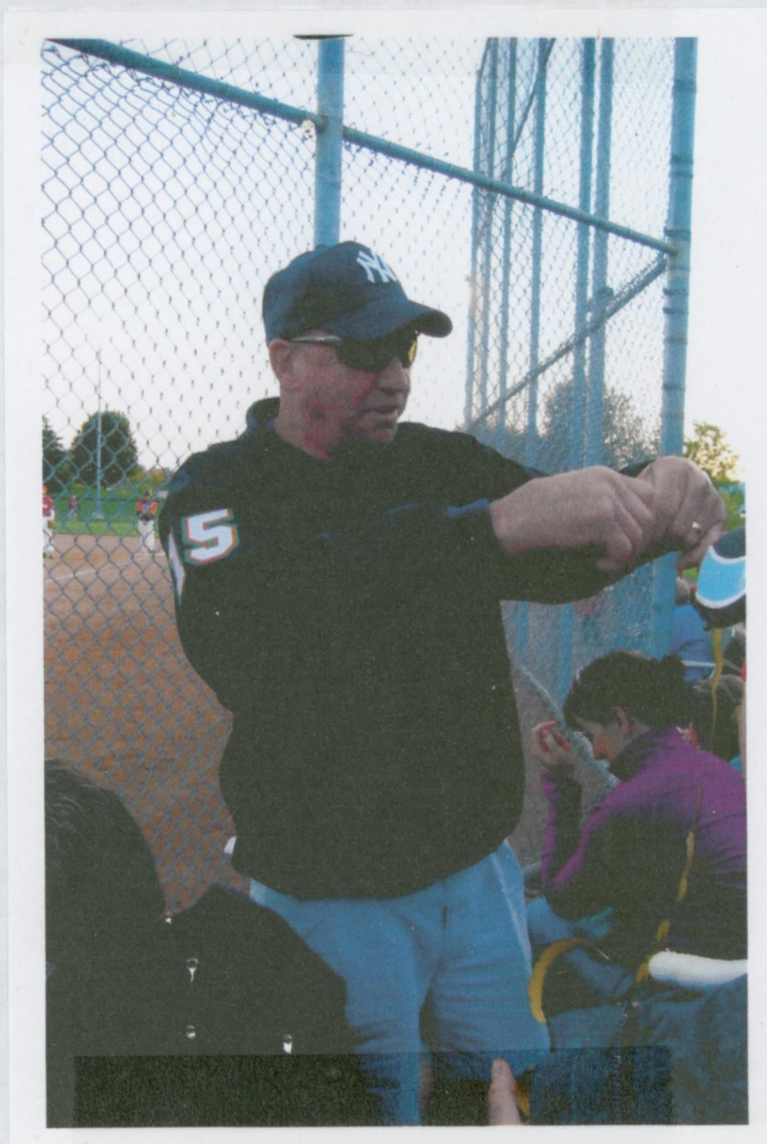

Sincerely,

Ewart Timlin

Bill Elliott's Legacy by Ewart Timlin

Bill "Cowboy" Elliott has always been a great catcher and cheerleader for the Cold Springs Cats. However, in 1998, he particularly shone as a fundraiser. Bill began the year by staging a 29 table Euchre Tournament in February, helped organize our first Golf Tournament in May, organized a yard sale, and held Meat Rolls and Raffles in the Summertime.

As a result of his efforts, he raised sufficient money to pay for all the rooms at the gorgeous Delta Brunswick Hotel in St. John, New Brunswick during the National Championships. What a year we had, especially when we defeated Sarnia in the finals.

Re: Nomination of Bill Elliott for a Civic Award
for Sportsman of the Year

I have known Bill casually since 1967 but more recently since 1997. He has raised funds for many sport organizations in the local community such as Cobourg Legion Minor Ball with his 50-50 draws at ball tournaments. He also volunteered on the Cobourg Cougars organization. Bill organized many Euchre Tournaments raising money for local ball and hockey associations. While this is not sports related, he even raised money for a lady who had lost her husband to help with her children's education through a euchre tournament. Bill was always mindful of others in need.

It is with great enthusiasm that I write this letter of support for **William "Cowboy" Borden Alexander Elliott** for the Sportsmanship Award - Town of Cobourg. As President of the Northumberland Baseball Association and as past Chair of the Town of Cobourg Parks and Recreation I saw first hand **William "Cowboy" Borden Alexander Elliott's involvement in our community**. Cowboy raised funds through his Euchre Tournaments, raffles, 50/50's, hockey and ball pools. His pride and joy was his involvement with sports and helping create positive memories for the financially less fortunate. He put his heart and soul into making sure that everyone in sport had an opportunity to to succeed. If you ever had the pleasure to meet Cowboy you know that he would give "anybody in the house" the shirt off his back and his shoes to help them get ahead.

Yours truly,

Letter of recommendation for Bill Elliott

I had the privilege of knowing Bill Elliott for over 40 years, and he was involved in the community almost from the outset of arriving in Cobourg.

Bill umpired for our local Cobourg Legion Minor Softball when he was not working, he insisted on having me donate blood along with him until he was unable to donate due to medications.

I had the privilege of being involved with him on the executive of the Cobourg Mercantile Hockey league for 10 years, we looked after the hockey as well as numerous fundraising events within the league. Bill said we should have our own "Hockey Showdown" within the league, which was a real hit with the players and fans. The last weekend of the Showdown was in front of a packed arena with at least 1000 fans, it was huge success.

I coached softball, so with Bill's knowledge as a catcher for the Cold Spring Cats, he was kind enough to come and work with the catchers at a clinic organized by Cobourg Legion Softball.

Bill also assisted me at the fastball tournaments selling 50/50 tickets for a number of years, and any event that was held by legion softball where a volunteer was required to help donate time.

Bill also organized euchre tournaments to raise funds for teams, organizations and for families.

I think Bill Elliott is very deserving for a civic award for the Town of Cobourg.

Cheers,

Scott Tuttle

To our good friend Bill Elliott

Hi Bill so sorry that it took it so long to return your letter. It was real nice to hear from you and thank you very much for the nice gifts you sent us. We didn't think you would ever get your voice back, you were the best and the loudest cheering player we have ever seen or heard. But Dad said that your team was the best representative that he has ever seen from Ontario, and he has seen lots of them. Thank you very much for the nice things you said about us being real good bat boys but we know that you have lots of good bat boys at home too. My mother would like to thank you for the lovely spoon you sent her. We have been to a lot of places in Canada and the U.S.A. playing ball and have met a lot of nice ballplayers but you are the only one that has ever taken the time to remember us and to write us a letter, somehow we knew that you would be like that. We were going to send a letter just before your birthday on the 7th of November but we ~~to~~ have both been playing so much hockey we honestly forgot. Sorry!

(2)

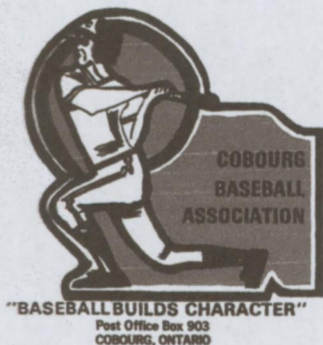

Our dad's birthday was on the 9th November. He's really old (39) (Ha! Ha!) I am ten years old on December 22nd. Doug will be 12 on May the 20th and my sister Cheryl will be 13 on May the 10th. We can hardly wait until ball season comes again and I think and hope that my dad's team the All-O Matic A's can and will win the Saskatchewan championships and we will see you in Ottawa next year. We hope that your team wins also and we're sure they will. Our dad says we ~~are~~ might go to play ball in Japan next April. So we are keeping our fingers crossed. If we go we will bring you back a gift and send it to you. We are sending you the pin that you saw you would like plus a couple of others we are sure you ~~like~~ will like. We had better quit for now, would like to hear from you again if you find the time.

Dear Bill:

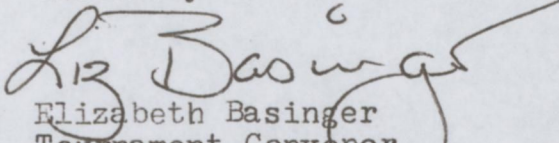

On behalf of the Cobourg Baseball Association I would like to thank you for your time, interest and financial support of the recent PeeWee baseball tournament.

Because tournament results are now used in classifying teams for provincial playdowns, tournament play becomes very important to team standings. By being able to offer a well run reputable tournament the participating teams are given a further chance to "show their stuff".

Although the championship games were one-sided, several of the preceding games were very exciting and the teams were well matched.

Once again, thanks for your assistance and your interest in minor baseball is greatly appreciated.

Sincerely

Elizabeth Basinger

Earn Credit Union Awards

Dusenbury and Choiniere top athletes, Bill Elliott sportsman of the year

Paul Choiniere of CDCI East and Jackie Dusenbury of CDCI West were honored as Cobourg's athletes of the year at the annual meeting of the Cobourg Credit Union Monday night at the IOOF Hall.

The multi-talented and versatile Choiniere was recognized for his prowess in CDCI East athletics - football, basketball, volleyball, and track & field - as well as his ability in community sporting endeavors such as captain and centre of the OMHA Scotiabank Midgets, the stalwart righthanded pitcher of Spoolon Selects' juvenile baseball club and the slick, speedy first baseman of Sommerville's Juveniles of the Cobourg Men's Softball League.

Choiniere, 16, is the second youngest to win the Credit Union's male athlete of the year award since it originally was conceived back in 1957. Previous winners, in reverse order, have been Glenn Sutherland, Scott MacCoubrey, Jim West, Ken Stevenson, Marty Kernaghan, Leo Reyns, the 1974 Ontario junior 'C' champion Cobourg Cougars, Jim Hendry, John Cane, Tom Jackson, Dave Zealand, Paul Allen, John Gray, Al Fenton, Herm Jansen, Bob Munday, Bill Ryan, the 1960 provincial champion Cobourg peewee baseball team, Winston Marsden and Harold Pullyblank (2).

Jackie Dusenbury is the 14th young lady to gain the Credit Union's female distinction. Jackie, 17, is a naturally gifted athlete in almost everything she tries.

A member of the Harnden & King

Angels' junior ladies' softball team this past summer, Miss Dusenbury excelled at the collegiate level in basketball, tennis, badminton, volleyball, track and field.

Also on the Credit Union's female athlete of the year honor roll are Eliz Reisch, Leah Anne Goody, Marg Matthews, Faye Oliver, Nancy Sommerville, the 1975 Ontario junior softball champion

Harnden & King Angels, Peg Jamieson, Donna Todd, Sue Thompson, Janice Rowe, Debbie Gibson, Dianne Stacey and Susan Harrison.

Bill Elliott, a popular figure in Cobourg sporting circles, was selected as the 11th winner of the Sportsman of the Year award.

An avid golfer, harness racing and boxing buff, baseball and fastball fan, and part-time hockey oldtimer goalie, Elliott really has been active the past year or two. As the catcher and holler guy of the 1980 Ontario senior 'A' men's fastball champion Coldsprings Cats, Bill gained national notice at the Canadian fastball championships in Saskatoon with his winning personality.

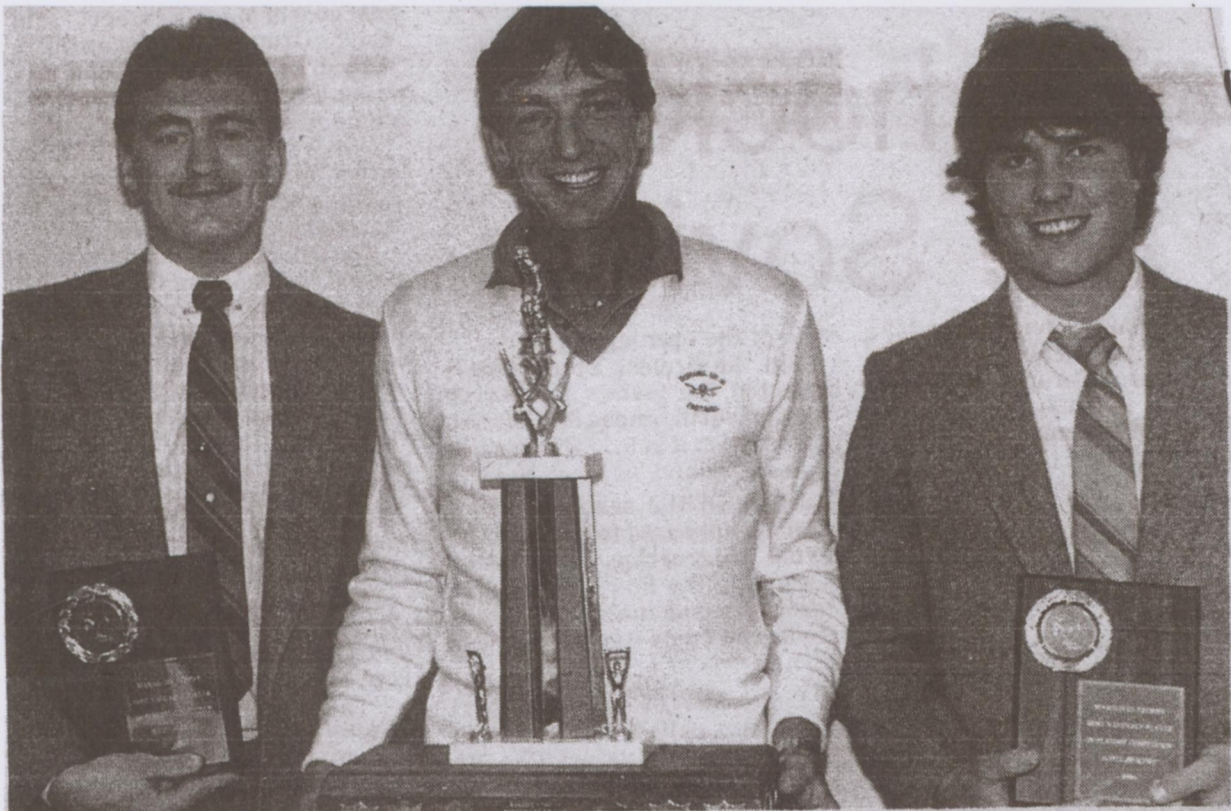

Since then, Elliott captained the 1981 Coldsprings Cats to the Oshawa City & District Softball Association title, playing some of the best softball of his life, and caught for Tex's Rangers, the Cobourg Men's Softball League champions, batting at a .360 clip.

The gung-ho type, Bill is serving his second term on the executive of the Cobourg Cougars' Junior 'C' Hockey Club, acting as coach of the new-look MacGregor Electric Dusters in the Cobourg Mercantile Hockey League and of Cobourg Oilers' men's hockey tournament team, as well as making plans for the CMHL's "Showdown '82."

Previous winners of the Sportsman of the Year citation have been Bob Robison, Andy Dingler, Ross Quigley, Bill O'Neil and Paul Currelly, Ken Petrie, George Spalding, Bob Spooner and Layton Dodge.

SAINT JOHN, NB — The Cold Springs Cats traveled to Saint John, New Brunswick as defending Canadian Master's Fast Pitch Champions.

They returned to Cold Springs feeling twice as nice.

The Cats successfully defended their championship with a 7-0 victory over Mitchell in the final.

The story of the game was the pitching of fastball hall of famer Pete Landers.

Landers showed why he's in the hall, hurling a no-hitter at Mitchell in the pressure filled final.

Landers came close to a perfect game, but a lead off walk to Randy Raycraft in the second prevented perfection in this one.

Round robin play

Cold Springs opened the round robin portion of the tourney with a 4-1 loss to Captain Eli's, a team from Nova Scotia.

It turned out to be Captain Eli's only win in the competition, and a wake up call for the Cats.

Cold Springs went on to win the next four games to clinch the Spalding Division, starting with a 12-1 rout over the Sarnia Ranson.

The Cats offence came alive in the third inning, when they scored nine runs on eight hits, highlighted by a Mike McIvor round tripper.

Sarnia was forced to mercy after four and a half innings. Cold Springs went on to defeat York Sunbury Minglers 4-1, Dairy Queen 7-0 and Bass River Mooseheads 8-0.

As the scores indicate, pitching was dominant in all

COOL CATS: The Cold Springs Cats repeated as Canadian Masters Champions over the weekend. They are (bottom row, left to right) Roger Cole, Terry Lewis, Bill Elliott, Jeff Timlin, Stephen Mitts, Tim Neron, Gary Hope and Paul Goodfellow. Top row: Pete Landers, Mike McIvor, John Cane, coach Barry Dawe, Ray Bickle, Aarold Lang, Dave Ruthowsky, general manager Ewart Timlin, assistant manager Ross Timlin, Don Elliott and coach Steve Neely.

four wins.

Landers threw a two-hitter against Dairy Queen, striking out 12, while Roger Cole pitched a one-hitter against Bass River, gunning down seven.

Mitchell 4 Cold Springs 2

Cold Springs went on to face Labatt's Division winner Mitchell in their opening game of the championship round.

The winner of this game gained a significant advantage, gaining a bye into the final.

It wasn't meant to be for the Cats however, as they were doubled up by Mitchell.

Mitchell jumped on Cold Springs early, scoring a run in the second and three in the third to take a four run lead.

The Cats tried to claw their way back in the fourth, when Ray Bickle hit a solo jack to pull within three.

Stephen Mitts then singled and scored in the fifth, but that was all the runs Cold Springs could tally.

Cold Springs 2 Sarnia 0

This set up a rematch between the Cats and Ranson in the bronze medal game, with the winner advancing to the final.

Dave Ruthowsky took the rubber for Cold Springs and

hurled a gem, throwing a one-hitter at Sarnia.

Bickle gave the Cats all the offence they would need in this one, blasting a solo shot to score the game's first run.

McIvor singled in Mitts for an insurance run, and the Cats were on to the gold medal game.

Cold Springs 7 Mitchell 0

Landers went on to steal the show in the final, pitching his no-hitter.

Cold Springs jumped on the scoreboard early, as John Cane, Gary Hope and Tim Neron singled and scored in the first.

The Cats added three more in the second, and one in the fifth to force the mercy.

It was the fourth game Cold Springs won by mercy.

Landers was clearly the star of the competition.

Prior to the game, the public address announcer told the many in attendance about Landers' hall of fame status.

This got the attention of the crowd, as Landers was bombarded by camera crews and autograph seekers after the game.

It was a fitting end to a successful weekend.

The only thing that could top this is a three peat.

Throwback to yesteryear — Ernie Brown, Neil Cane and John Cane, who donated their services as umpires for the visit of Sioux City's Penn Corp club to Grafton Friday night, were introduced to the tremendous turnout of fans after the Iowa-based special guests and Elliott's All-Stars took their bows and lined up on the respective foul lines before the fastball game.

Show of appreciation for Pete Landers

California Cuties a big hit!

There was standing room only Sunday night when the California Cuties came to town to square off with Armstrong's IGA Bantam Baseball team featuring Orono's favourite son, Peter Landers. It was a highly entertaining evening for all full of comedy, hjinks and skill. Pictured above right to left are: at bat 'Cuties' catcher 'Heda Hustler', Landers' catcher Bill 'Cowboy' Elliott, and plate umpire 'Eagle-Eye' John Witheridge!

Marty's homecoming lures huge audience

Elliott's All-Stars play giant-killer and upset Sioux City's powerful Penn Corp

By Layton Dodge

Today, Grafton. Tomorrow, who knows!

As David slew Goliath once upon a time, Elliott's All-Stars found themselves, quite unexpectedly, on the right side of the slings and arrows of outrageous fortune Friday night at the Grafton ballpark.

Playing the role of giant-killer to the hilt, the area fastball select team shocked the visiting Penn Corp club from Sioux City (Iowa) 5-4 in front of the largest crowd ever assembled at the Grafton Ball Tournament in the event's fabled 18-year history.

While Grafton native Marty Kernaghan and the ISC, ASA championship team for which he plays were the special attractions of the memorable evening, the brand of ball they exhibited in the last half of the game had to be somewhat embarrassing to them, in retrospect. Certainly, the eventual outcome was virtually unthinkable in the minds of virtually everybody among the estimated 2,000 onlookers that ringed the field when the game began.

While their amazing track record speaks volumes about their abilities, what happened to Penn Corp and Kernaghan only served to reinforce the notion that nothing is absolute in sports and that, on a given day, even the very best are vulnerable.

The magnitude of the upset rivalled Cold Springs Cats' winning the Ontario senior eliminations back in 1980 to earn the privilege of representing Ontario in the Canadians. Ironically, several players of Elliott's 1990 all-star cast also were part of that once-in-a-lifetime achievement a decade ago.

For five innings last Friday night, the game seemed to be unfolding as most envisioned it would with Penn Corp building a 4-0 lead and appearing to be in control.

The Sioux City squad picked on Elliott's starting pitcher Dave Ruthowsky for a run in the very first inning. David Boys and Mark Sorenson both singled off him and Boys scored as Randy Burnside was called safe at first base on second baseman Steve Mitts' low throw which Allan Burnham had to scoop out of the dirt.

After lefthander Pete Landers shut them down for a couple of innings, Penn Corp greeted the arrival of Roger Cole on the mound in the fifth with a three-run flurry fuelled by a couple of fielding miscues by the locals. Steve Kerian's double was the most telling blow of the rally.

After being collared on two hits by big righthander Steve Schultz for five innings, Elliott's All-Stars came to life in the sixth inning when Penn Corp changed chuckers and installed P. Sandman on the rubber. Frank Schram singled to trigger the uprising, Mike McIvor worked a walk and Rob Hook rapped a hard single through Kernaghan to put Elliott's on the board.

On the throw-in, Kernaghan cut the ball off and whistled it to second base in an attempt to nail Hook. However, the throw was low and bounced into centre field, enabling both McIvor and Hook to roar home. Suddenly, Elliott's were within a run and the crowd was abuzz.

The die was cast in the seventh when, with Bill Elliott and Schram aboard via back-to-back singles, Mike McIvor's routine hoist to left somehow was missed by Sioux City's Mark Sorenson, allowing the tying and decisive runs to score.

That mishap stood up as the back-breaker in the rare nine-inning exhibition. The storybook ending would have had Kernaghan jerking the ball out of the park in the final frame to knot the game 5-5. Alas, big No. 39, who was probably trying too hard to produce throughout, grounded out instead to go 0 for 5 on the night.

Meanwhile, Brian Condon toiled two scoreless innings, leaving it up to Randy Fife, Elliott's fifth hurler of the night, to protect the lead. He did and Elliott's All-Stars had posted an astonishing win.

The pitching stats showed Elliott's quintet permitting eight hits and two walks while striking out seven batters. The variety of flingers meant Penn Corp never faced any pitcher twice. That was a definite factor. Still, Penn Corp's miscues on defence proved fatal.

Elliott's finished with six hits and two walks in the game. Fourteen batters went down on strikes.

Bob Michaelson swatted a single and double for Penn Corp while Burnside and Boys each punched two singles.

For Elliott's, Schram supplied a pair of singles while Allan Burnham and Ruthowsky collected a double apiece.

NOTES — Discount any insinuation that Penn Corp deliberately conspired to lose the game. That's just pure rubbish....Sioux City headed into the game with a 69-9 log.... Marty Kernaghan's family and relatives played a role in the pre-game ceremonies. His dad, Jack, was the PA announcer and handled what needed to be said with a great deal of class. Jack mentioned that the Grafton Ball Tournament was about old acquaintances, old rivalries and, most of all, a good time. In his remarks, Jack got in a plug for fastball, remarking that the size of the crowd proved that somebody must have done something right and that there still must still be a lot of people who enjoy the game of fast pitch....Marty Kernaghan spoke to the throng, paying special tribute to his dad, Jack Kernaghan, and Dick Raymond for their devoted service re the Grafton tournament. Both men received a Penn Corp jacket in appreciation....By special request, John Cane, Neil Cane and Ernie Brown umpired the game....Players and officials of both teams were introduced....Penn Corp players wowed observers with some mammoth shots in batting practice....During the first half of the game, tickets were sold on a draw for a Penn Corp jacket and Cobourg's Marg Grundy was the lucky winner....Penn Corp

stayed overnight at the Journey's End in Cobourg, the Saturday for Owen Sound where they were to play a couple of games. First word was that the Sioux City squad had split the halves of Saturday's twin bill there. No report of games was available.

And if you don't mind, it doesn't matter."**

They're all over 35 years old but they're not over the hill at all. Elliott Bros. Cleaners showed the young 'uns in the Cobourg Men's Softball League how the game should be played again this year by winning both the playoff and regular-season championships for the second year in a row.

Nevertheless, that isn't preventing speculation as to whether these old boys of summer will be back in 1991 to try and "three-peat" or whether they'll quit while they're on top and hang up their cleats forever.

Elliott's mothballed the 1990 campaign Monday on a cold night at Victoria Park with a narrow 1-0 victory over Partners to complete a four-game sweep of the final.

Hints of retirement were overheard from certain members of this old men's athletic club after the championship series was over but that's not unusual at this time of year from players of Elliott's vintage, nor would it be uncommon if they recanted next spring.

Bill (Cowboy) Elliott, the man chiefly responsible for assembling this group of greying giants from the past and nurturing it into a well-oiled machine of the present, hasn't indicated to league officials what the team's intentions are down the road.

One thing is certain. As long as pitchers Dave Ruthowsky and Pete Landers are able to perform close to the standard they exhibited in the 1990 playoffs and wish to maintain their loyalty to the team, Elliott's can't go far wrong.

Partners, arguably the most underrated team in the circuit and possibly even the league's greatest over-achievers the past couple of years, will attest to that. They solved Elliott's excellent pitching for only 13 hits in the series.

Ruthowsky, still the master craftsman, came within one put-out of perfection in the clincher. He lost a perfect game when Partners' Rob Hook grounded a triple over the first-base bag and down the right-field line with two out in the bottom of the seventh inning.

Until this blow, Ruthowsky had mowed down 20 batters in a row, including 12 of them on strikes. Yet, Hook's smash kept them alive and gave them a chance to tie the game.

Follow-up batter Jim Horne attempted to deliver the poke Partners needed to prolong the issue but Elliott's third baseman Allan Burnham picked off Horne's liner for the series-ending putout.

Losing chucker Terry Lewis deserved a better fate. In hurling well enough to win, "Lewie" spaced four base hits, passed none, nicked one batter and struck out two.

Second baseman Bill Cane topped off an excellent year personally in an Elliott's uniform by supplying the game's lone run. The leadoff batter in the fourth inning, he roped a homer into a weeping-willow tree in deep left field. It stood up as the championship-deciding wallop.

Today, Grafton. Tomorrow, who knows!
As David slew Goliath once upon a time, Elliott's All-Stars found themselves, quite unexpectedly, on the right side of the slings and arrows of outrageous fortune Friday night at the Grafton ballpark.

Playing the role of giant-killer to the hilt, the area fastball select team shocked the visiting Penn Corp club from Sioux City (Iowa) 5-4 in front of the largest crowd ever assembled at the Grafton Ball Tournament in the event's fabled 18-year history.

While Grafton native Marty Kernaghan and the ISC, ASA championship team for which he plays were the special attractions of the memorable evening, the brand of ball they exhibited in the last half of the game had to be somewhat embarrassing to them, in retrospect. Certainly, the eventual outcome was virtually unthinkable in the minds of virtually everybody among the estimated 2,000 onlookers that ringed the field when the game began.

While their amazing track record speaks volumes about their abilities, what happened to Penn Corp and Kernaghan only served to reinforce the notion that nothing is absolute in sports and that, on a given day, even the very best are vulnerable.

The magnitude of the upset rivalled Cold Springs Cats' winning the Ontario senior eliminations back in 1980 to earn the privilege of representing Ontario in the Canadians. Ironically, several players of Elliott's 1990 all-star cast also were part of that once-in-a-lifetime achievement a decade ago.

For five innings last Friday night, the game seemed to be unfolding as most envisioned it would with Penn Corp building a 4-0 lead and appearing to be in control.

The Sioux City squad picked on Elliott's starting pitcher Dave Ruthowsky for a run in the very first inning. David Boys and Mark Sorenson both singled off him and Boys scored as Randy Burnside was called safe at first base on second baseman Steve Mitts' low throw which Allan Burnham had to scoop out of the dirt.

After lefthander Pete Landers shut them down for a couple of innings, Penn Corp greeted the arrival of Roger Cole on the mound in the fifth with a three-run flurry fuelled by a couple of fielding miscues by the locals. Steve Kerian's double was the most telling blow of the rally.

After being collared on two hits by big righthander Steve Schultz for five innings, Elliott's All-Stars came to life in the sixth inning when Penn Corp changed chuckers and installed P. Sandman on the rubber. Frank Schram singled to trigger the uprising, Mike McIvor worked a walk and Rob Hook rapped a hard single through Kernaghan to put Elliott's on the board.

On the throw-in, Kernaghan cut the ball off and whistled it to second base in an attempt to nail Hook. However, the throw was low and bounced into centre field, enabling both McIvor and Hook to roar home. Suddenly, Elliott's were within a run and the crowd was abuzz.

The die was cast in the seventh when, with Bill Elliott and Schram aboard via back-to-back singles, Mike McIvor's routine hoist to left somehow was missed by Sioux City's Mark Sorenson, allowing the tying and decisive runs to score.

That mishap stood up as the back-breaker in the rare nine-inning exhibition. The storybook ending would have had Kernaghan jerking the ball out of the park in the final frame to knot the game 5-5. Alas, big No. 39, who was probably trying too hard to produce throughout, grounded out instead to go 0 for 5 on the night.

Meanwhile, Brian Condon toiled two scoreless innings, leaving it up to Randy Fife, Elliott's fifth hurler of the night, to protect the lead. He did and Elliott's All-Stars had posted an astonishing win.

The pitching stats showed Elliott's quintet permitting eight hits and two walks while striking out seven batters. The variety of flingers meant Penn Corp never faced any pitcher twice. That was a definite factor. Still, Penn Corp's miscues on defence proved fatal.

Elliott's finished with six hits and two walks in the game. Fourteen batters went down on strikes.

Bob Michaelson swatted a single and double for Penn Corp while Burnside and Boys each punched two singles.

For Elliott's, Schram supplied a pair of singles while Allan Burnham and Ruthowsky collected a double apiece.

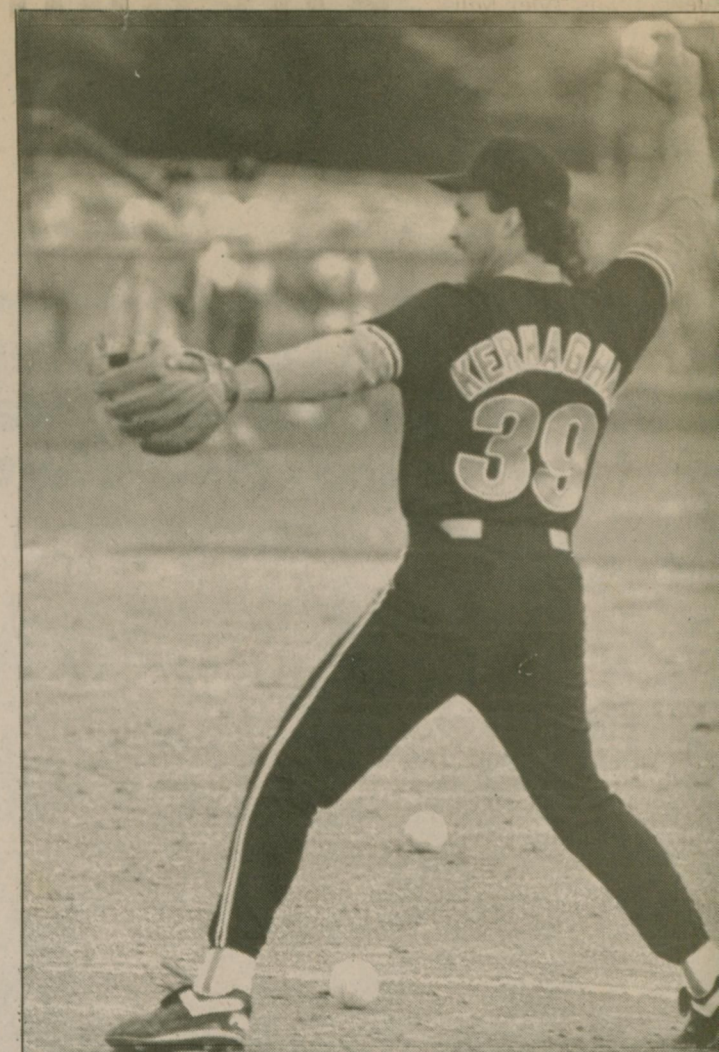

NOTES — Discount any insinuation that Penn Corp deliberately conspired to lose the game. That's just pure rubbish....Sioux City headed into the game with a 69-9 log.... Marty Kernaghan's family and relatives played a role in the pre-game ceremonies. His dad, Jack, was the PA announcer and handled what needed to be said with a great deal of class. Jack mentioned that the Grafton Ball Tournament was about old acquaintances, old rivalries and, most of all, a good time. In his remarks, Jack got in a plug for fastball, remarking that the size of the crowd proved that somebody must have done something right and that there still must still be a lot of people who enjoy the game of fast pitch....Marty Kernaghan spoke to the throng, paying special tribute to his dad, Jack Kernaghan, and Dick Raymond for their devoted service re the Grafton tournament. Both men received a Penn Corp jacket in appreciation....By special request, John Cane, Neil Cane and Ernie Brown umpired the game....Players and officials of both teams were introduced....Penn Corp players wowed observers with some mammoth shots in batting practice....During the first half of the game, tickets were sold on a draw for a Penn Corp jacket and Cobourg's Marg Grundy was the lucky winner....Penn Corp

stayed overnight at the Journey's End in Cobourg, then left Saturday for Owen Sound where they were to play a couple of bleheaders. First word was that the Sioux City squad won halves of Saturday's twin bill there. No report of Sunday games was available.

The star attraction — Grafton native son Marty Kernaghan turned to his old haunts Friday with the Sioux City Penn Corp pitch club to play a special exhibition game with Elliott's All-Stars. Kernaghan signed numerous autographs before and after the game. That's Grafton Ball Tournament convenor Dick Raymond peaking over Marty's shoulder.

Still in there pitching — When Marty Kernaghan used to pitch on a regular basis in these parts, he was considered a standing pitcher as well as a great batter. Now on the world stage, Kernaghan's pitching stints are pretty well limited to throwing practice as he's doing here in Grafton Friday night before the Penn Corp game.
