President's Message

I am very pleased and consider it a privilege to be the president of the Cobourg Community Hockey League during this thirty-year anniversary.

I would like to take this opportunity to thank my very capable and extremely hard-working executive. This year would not have been a success without the dedication of all of our coaches, managers, referees and volunteers.

The pages of this, our second Cobourg Community Hockey League yearbook are full of our past, present and future stars.

A special thank you goes to the yearbook committee and photographer Gail Brownlee.
